## GENERAL BUSINESS:

Chris told the meeting that we were trialling a new format tonight. All the normal reports will be in the magazine.

The main topic for general business was the upcoming change to our membership proposal. Chris reminded all members that voting closed on 20<sup>th</sup> July 2018.

Our Treasurer will be going overseas next month so Chris asked for a volunteer to take over with a view to becoming the treasurer next year.

Chris explained to the meeting that as we haven't spent the required amount stipulated by the council this financial year, he would be calling for volunteers to a working bee. The volunteers would be valued at \$40 per hour and this will go a long way to meeting our target.

We received a tax bill of \$951 for the last financial year. This was due to our receiving all our sponsorships in the financial year prior to the actual concours, therefore we had no expenditure to offset this.

Robyn Messenger told the meeting that we lost an advertiser for this year. This will be a loss of income.

John Binge told members to be careful of carjackers, especially at service stations.

Neil de San Miguel undertook the job of getting our founding member banner framed.

Robyn Noden spoke about the upcoming Christmas party. More details as they come to hand. She also thanked Robyn Messenger & David Irving for their contribution to tonight's raffle prizes

Raffles: 1<sup>st</sup> Jim Pantlin, 2<sup>nd</sup> Peter Buckingham, 3<sup>rd</sup> Darryl Fidge, 4<sup>th</sup> John Binge, 5<sup>th</sup> Gordon Bartils, 6<sup>th</sup> Melissa Lane.

**Next Meeting: 25<sup>th</sup> July 2018 @ 7.30pm.**

Meeting Closed: 8.45 pm, when members enjoyed supper and a chat.

# Presidents Report

Hi everyone,

Short report this month due to work commitments, so I'm going to dot points:

1. We trialled a new meeting format at the last meeting trying to streamline the meeting without stifling discussion to allow time for a guest speaker and to have our supper and social time after the meeting rather than at "half-time". There has been some feedback already but please contact a committee member if you want to give feedback. To be discussed at the next committee meeting.
2. Our guest speaker, Dominic Bonasia, did an excellent job IMHO. Dominic knows his subject very well and I like his "do it right" attitude. Thanks again to John Greene for organising Dominic's visit. Dominic has offered \$150 to the club from every car imported through his company (Personal Imports) by a member of our club, so don't forget to mention your membership if you are using Dominic's services.
3. Clubhouse working bee coming soon - dates TBA.
4. Voting on the proposed constitutional changes closes on the 20th of this month. That is the deadline for receipt of your ballot by the returning officer. Voting is optional but don't miss the deadline if you want your vote to count. The results will be announced at the July general meeting.

Cheers,  
Chris.

## CONGRATULATIONS!!!!

Congratulations to Chris Willman - Member Q1304  
on winning the "Early Bird" draw.

Chris will get free Membership for the 2019 - 2020 Club Year.

## JUNE RUN REPORT

Hi members,

Another beautiful Sunday morning for Mustanging arrived, we met at the Coffee Club for this run. With the small number of members all accounted for we set off along the back roads to Chambers Flat and out towards Beenleigh and to Mt Tambourine, where we stopped to stretch the legs and take in the scenic views down over the hinterland valley

We were soon motoring along again up through the windy hinterland, it was slow driving which enabled a bit of time to enjoy the scenery.

We arrived at the dam picnic area which was below the spillway, and the members set about cooking up a storm, a few BBQ tips were shared, another car club arrived with a coffee van which was a blessing. After lunch a few of us went up to the dam Kiosk to take a tour, which was very informative, the wall is made of earth and rocks and was built in three stages

**Note** the dam is not named after Russ Hinze

Excerpt from the Gold Coast Bulletin July 2016

[Gold Coast's Hinze family proud to have links to dam | Gold Coast...](#)

HINZE Dam is a place steeped in history and with 40th birthday preparations under way 91-year-old Cecil Hinze has time to reflect on his family's past.

The land on which Hinze Dam was built was first settled in the 1880s by Carl and Johanna Hinze after they immigrated to Australia from Germany.

Prize winners for the day were,

Lucky Car - Linda Allen

1<sup>st</sup> - John Wilson

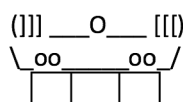

2<sup>nd</sup> - Les Hillberg

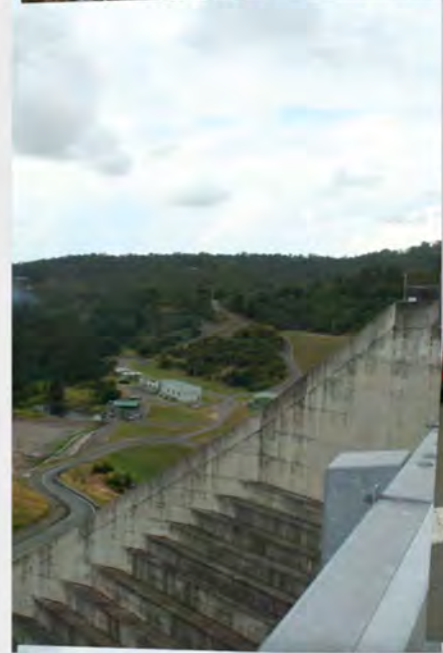

3<sup>rd</sup> - Michael Buckley

## Voting on Proposed Amendments to the MOCA (QLD)Inc. Constitution

Based on the 'Yes' Vote to the 'Special Resolution' which was passed at the General Meeting held on 23 May 2018, the Final 3 Proposed Amendments to the MOCA(QLD)Inc. Constitution are published for consideration by all members.

Also included is the Voting Form to be used. All votes must be in the hands of the Returning Officer by 3PM on 20 July 2018.

### Proposed Amendment 1

#### **4. CLASSES OF MEMBERS**

  - (i) Ordinary Members,
  - (ii) Honorary Members, and
  - (iii) Life Members.
- (b) 'Ordinary Members' are persons who are over the age of eighteen years who are owners of a Ford Mustang motor vehicle and based on the personal information available to them have been considered and accepted for membership by a meeting of the Management Committee.
- (c) The number of Ordinary Members shall be unlimited and such membership shall be governed as prescribed in Paragraphs 5 to 10 of these Rules.

### Proposed Amendment 2

#### **11. HONORARY MEMBERS**

- (a) 'Honorary Members' are those who no longer satisfy the criteria of Ordinary Member but have provided significant contribution to the Club and continue to do so.
- (b) The number of Honorary Members shall not exceed the number of 5% of total Ordinary Members.

# CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Clubman of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. If for any reason there is a change to an advertised run, details will be in the Coming Events page on the Club website at [www.qld.mustang.org.au](http://www.qld.mustang.org.au).

The Club Calendar lists designated events / activities and these are therefore recognised as sanctioned Club Runs. Points towards Clubman of the Year are only awarded for attendance at the official 1st Sunday of the month Run (or Saturday where appropriate).

## These are actual complaints received by a travel agent!

On my holiday to Goa in India, I was disgusted to find that almost every restaurant served curry. I don't like spicy food!

They should not allow topless sunbathing on the beach. It was very distracting for my husband, he just wanted to relax.

Went on holiday to Spain & had a problem with the taxi drivers as they were all Spanish.

We booked an excursion to a water park, no one told us we had to bring our own swim suits & towels. We assumed it would all be included in the price.

The beach was too sandy. We had to clean everything when we returned to our room.

We found the sand was not like the sand in the brochure. Your brochure shows the sand as white, but it was more yellow.

# EVENTS OF INTEREST CALENDAR

This calendar is designed to assist members in planning ahead for events that have been sanctioned by the Club, other than designated Club Runs and not necessarily organised by the Club. Club Person of the year points are not assigned for these events. There is more detail about each event on the following pages, including the location and time to meet and the contact details for the club member who has volunteered to organise the Club's participation in the event. An RSVP to the organiser and / or the Run and Events Coordinator will make their job easier and is the classy thing to do.

## 18th JULY MID - WEEK RUN TO DAYBORO

Part of this run will be a pretty cruise past Petrie and out through the hills and dales to the delightful village of Dayboro.

We will be dining at the Dayboro Bakery so bring some hunger as the fresh baked food is sensational.

A close acquaintance of mine (who shall remain anonymous), call their pies casseroles with lids on and cannot wait until she gets out there to sample some more.

We will meet at Shell Nudgee (be aware of changes to the exit if you are coming from the south side) at 10:30 for 11 am departure

**Please let me know of your attendance  
by Saturday, July 7<sup>th</sup>**

## August Mid-Week Fun Run, Wednesday 22<sup>nd</sup>

(Note this is a week later than normal owing to the EKKA)

We will be going to the Moreton Bay Trailer Boat Club overlooking Manly Boat Harbour, dining upstairs looking out over the Marina towards Green Island, Wellington Point and Stradbroke Island.

Sensational views with sensational meals!

After which, for those who would like, we will do a cruise along the Esplanade to Wynnum North and do the Boardwalk stroll through the Mangroves out to the Point.

We will meet at the Club House at 10:30 for an 11am departure.

Please advise me of your attendance by Sunday 12 August.

Many thanks Les 0422 692 438

## More from Travel Agents

It's lazy of the local shop keepers in Porto Valletta to close in the afternoons as I often needed to buy things during 'Siesta' time, this should be banned.

No one told us there would be fish in the water. The children were scared.

Although the brochure said it was a fully equipped kitchen there was no egg slicer in the drawer.

I think it should be explained in the brochure that the local convenience store does not sell proper biscuits like custard creams or ginger nuts.

It took us 9 hours to fly home from Jamaica to England, it took the Americans only 3 hours to fly home, this seems unfair.

I compared the size of our 1-bedroom suite to our friends 3-bedroom suite & ours was significantly smaller.

When we were in Spain there were too many Spanish people there. Receptionist spoke Spanish, the food was Spanish. No one told us there would be so many foreigners.

It is your duty as a tour operator to advise us of noisy or unruly guests before we travel.

I was bitten by a mosquito; the brochure did not mention mosquitoes.

My fiancé & I requested twin beds when we booked, but instead we were placed in a room with a king bed. We now hold you responsible & want to be reimbursed for the fact that I am pregnant. This would not have happened if you had put us in the room that we booked.

**Be aware! They walk among us & they vote!**

## My Car - An Expose by Les Nye

My car as everyone knows is a 1968 Right Hand Drive Convertible. Yes, quite right now, but it didn't start life like that.

It was built in San Jose as a Coupe (left hand drive of course). At some stage of its life it had its guards flared as per Cobra Racing Mustangs of the day to enable wide tyres to be fitted and it was raced until it was crashed. It was then remodelled as a right hand driver convertible.

When you read the following details you could call it a "Bitzer". We believe it was raced here in Australia as a lot of the modifications came from Falcons of the day.

It has a XY Falcon radiator fitted and no expansion tank ( I fitted one later). Hence its ability to Cruise in the Cooly's Street Parade at walking pace without over heating.

Down beside the Radiator is some wiring and a orange light that glows when the ignition is turned on.

It had no power steering and a Racing Steering wheel when I bought it. It had a spare steering wheel with it, (a Mustang one but no the usual Mustang type). I have fitted power steering and put back the original steering wheel. The front suspensions XW Falcon with updated Kelsey Hays brakes and we found the rear foot brake did not work because a ball bearing had been placed in the "T" brake line junction above the diff to allow Heel and Toe gear changes while racing.

Speaking of Diffs it's a "86" Ford Galaxy (more racing heritage). The original Motor we believe was taken out and a racing unit put back in. When it was remade after the crash the original motor was put back in.

I have since put extractors on it as the rest of the exhaust system its free flow. The suspension is very much upgraded as it goes around corners like it's sitting on rails with no body roll what so ever and I haven't the courage to find its limits.

It has a second chassis fitted to it, its bolted onto the original one, which we presume was a requirement by the Transport department to pass safety requirements after the mods.

There are two compliance plates on the suspension tower. One for the left to right steering conversion, the other for the Coupe to Convertible conversion. Speaking of which, when the roof is up (it's a manual one), it is quite different too the standard 68 convertible one.

The motor according to the badges is a 289 Windsor, wrong it's a 3012 Windsor. I was told it was a 289 with 3012 unleaded heads fitted, again wrong, according to the experts, it's a complete 302 Windsor. So there you have it. A trivia note in passing is that it has been around Bathurst but we think as a convertible with racing drivers sitting in the back. Well, thats about it, apart from the fact that being on a pension with little money restricts the amount of times and mileage I can run it which is a bugger (may have to sell her at a later-date) But I will continue to enjoy it as long as I can.

## **"GREASE" IS THE WORD**

We were very privileged to have been selected to take our 65 Convertible for a promotional photo shoot for "Grease the Arena Experience", at Boondall Entertainment Centre Brisbane.

The stars of the show, Sandy and Danny looked amazing in the back of our car and they really enjoyed posing with our Sally. We didn't look bad either!

Thank you to two of our club members, Jason from "East Coast Muscle Car Hire" and Peter New, for recommending our Mustang for the shoot. We received tickets to see the show as a thankyou and we are looking forward to seeing the spectacular with over 700 actors, dancers and singers.
