GENERAL BUSINESS:

The first item of business was to continue the process towards the proposed change of the constitution to allow for honorary & life members.

Alan Messenger asked if there would be an opportunity to discuss or fine tune the wording of the proposed amendments. Chris answered, "Yes". The proposal as previewed in the May magazine was put to the members present for a vote. The vote was unanimous with all 38 members present voting yes to proceed with the process. It will now go to a postal vote with more details in the upcoming magazines. Barry Lane offered to act as returning officer for this vote.

Our treasurer Ric & Di Dunford will be off gallivanting at the end of August and Chris asked for volunteers to step into this position from late August with a view to nominating as treasurer for the next year.

Bob Gilmour: Bob spoke about 10 1967 Super Snake Shelby's being manufactured. They will have glovebox lids signed by Carroll Shelby.

There is also a plan to tour to Bathurst in 2019. More details as they come to hand.

Barry spoke about our mission statement. There were copies all around the clubhouse. The plan is to purchase a sign to be affixed to the front of the bar. It will be metal with a vinyl wraparound. Barry has obtained a quote for \$180. It was proposed by Robyn Messenger & seconded by Linda Allen that Barry proceed with this. It was passed by the majority of the members present.

Ray Saunders raised the topic of our charity of choice for this year. He has nominated the Redcliffe Coast Guard. It was proposed by Chris Holst & seconded by Ray Saunders that we adopt this charity.

Ray was asked to research more fully what was involved before a final decision was taken how we could help, as this is a non-concours year.

Barry wanted to thank two of our members Nicole Itoy for the delicious supper and Robyn Noden for organising theatre tickets. He said we are not only for the cars but for social occasions as well.

Martin told the meeting that the 55th anniversary would be hosted by the Mustang Owners of America Museum. It would be a 4-day event with displays and trade stalls etc. to coincide with the opening of the museum.

Raffles: 1st: Ken Clark, 2nd John Binge, 3rd Alan Rogers, 4th Ian Fagernes, & 5th Errol Gordon

PRESIDENTS REPORT

Hi everyone,

This issue of the magazine contains stuff that will possibly change the club's constitution, so I encourage you all to read everything, consider the proposals carefully then vote (or not) as you see fit.

The amount of angst, discussion and work that goes into anything to do with the constitution should not be underestimated. We are all very fortunate to have people amongst us who have the knowledge, skills and drive to navigate the constitution and the applicable laws and regulations. That person is David Irving, without whom the proposals would not be anywhere near as comprehensive or compliant with the requirements of the Dept of Fair Trading. Thanks again for your efforts Dave, much appreciated.

We have another opportunity for a volunteer to step up. Our treasurer, Ric Dunford will be going OS for a couple of months from late August. A great chance for someone to test drive the job and hopefully nominate for the position for the next year. It's a very important position that must be filled for the club to continue operating, so please don't wait to see if someone else will volunteer. Take a deep breath and step forward, particularly if you are computer literate!

Yo and I finally got to a club run this month, out to the Ravensbourne Cafe via the scenic route for lunch. It's the best time of year to be driving an older car so get out and enjoy the next few runs before summer comes back at us.

See you soon,

Chris.

Backyard Bonanza - 27 May 2018 MacPherson Park, Bracken Ridge

Not a big outing for the club but a nice relaxing day for Alan Rogers, John Cunningham and myself. We gave support to this event to add a little extra colour for the enjoyment of the community.

The weather was excellent until lunchtime when we got some brief passing showers.

There were plenty of choices for food, coffee, treats and all the other stuff you see at this type of event. The food was a lot better than the sign suggested....

JUNE RUN REPORT

Hi members, it was a little cool this morning as we gathered at the BP garage in Archerfield for the June club run, a few brave drivers even arrived with the convertible tops down on their ponies!

With the prelims completed we headed out for a cruise up the motorway to towards the ranges. Traffic was light and soon we were on the rural roads heading for the first stop over at Atkinson Dam,

A few members enjoyed a cupper, and soon it was time to continue, we cruised off into Esk to pick up the northies, and up the tree lined highway to the top of the range, the next stop over was Gus Beutel Lookout, for another brief stop the weather was in our favour and the view were fantastic!

Soon it was time to head off again this was to be the last stop of the day Ravensbourne Café for lunch, meals were ordered and consumed, and the raffle prizes won. Gradually the members departed for the home run, I hope no one was nabbed by the girls in in blue on the way down the range!

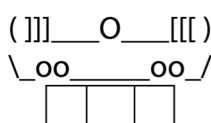

Prize winners for the day were,
 Lucky Car – Ray & Tracie Mitcherson
 1st Michael & Julia Longton
 2nd Sue Clark
 3rd Harvey de San Miguel
 4th Ray Mitcherson

 - (i) Ordinary Members,
 - (ii) Honorary Members, and

- (b) 'Ordinary Members' are persons who are over the age of eighteen years who are owners of a Ford Mustang motor vehicle and based on the personal information available to them have been considered and accepted for membership by a meeting of the Management Committee.
- (c) The number of Ordinary Members shall be unlimited and such membership shall be governed as prescribed in Paragraphs 5 to 10 of these Rules.

Proposed Amendment 2

VP Comments

Pictured here is our newly accepted "Mission Statement" professionally mounted to the front of the MOCA Clubhouse bar. This marks the conclusion of work to introduce, consult, design, manufacture and implement the Mission Statement.

Now that we have this installed, this also marks the commencement of the real work that is now needed to instil this into our Club Culture. Please join us, as we move to the next phase of living out the Mission Statement in our culture. How can you help? - By the way you interact and engage with all members, on every contact. Let's bring back the "fun factor" by being part of this great Club, we call MOCA Qld.

The member's photos on the front cover of our magazine, with their Mustangs, continue to attract a lot of interest and a varied range of comments – the most common is: *"I never thought my car or myself would ever be on the front cover of our magazine"*. Following the above Mission Statement, we are not only about our Mustangs, but also about the people behind the wheel of these wonderful cars - we call *"our ponies"*

I would like to take this opportunity to recognise the excellent work Les Nye is doing with his Wednesday, mid – month runs. It was fantastic to renew friendships with members that we have not seen for a while. Everyone was made feel welcome and all had a great time. Great fellowship!

Look forward to catching up with everyone at Club meetings and on runs / events.

Keep on smiling and keep on Mustanging

1968 Convertible Right-Hand Drive

So, when and where did you purchase your Mustang:

"In 2009, the year of the economic downturn, I was looking on the internet and saw it for sale at Jimboomba. Went out to see it and found a shed full of toys and lots of machinery outside sitting around doing nothing, which was costing the owner lots forcing him to sell one or two of his toys. As soon as he drove the Mustang out, I was smitten. That's mine I thought and no price argument. Done deal."

What motivated you to buy your Mustang:

"This was number one on my bucket list. I always wanted one but family and mortgages kept it at bay for a long time."

Work in Progress – what have you done to your Mustang:

"Apart from a console, sheepskin seat covers and extractors – nothing else. It was all done. Flared guards, right hand drive, firmed up suspension, bigger radiator, the list goes on and on."

What do you enjoy about your Mustang:

"The roof down cruising, listening to the five litre V8 throbbing away and smelling the countryside."

When and why did you join MOCA Qld:

"I joined in September 2009 and wanted to share in the fun to be had at the Club."

What do you enjoy about being in MOCA Qld:

"The people – socialising with amazing people."

DELEGATES REPORT QHMC May 2018

Meeting was held 25th May with Chris Hoist attending as a guest delegate.

A motion was moved to have the mail to go to a mail box, as the mail is delivered to the club house letter box at the entrance to the property. As the letter box is used by about 20 clubs it overflows and some ends up on the ground and is lost.

The Robert Shannon Foundation has two young people putting in applications to the foundation for financial assistance to restore a 1925 T model by a 14 year old from Dalby, and a VW by a 17 year old from BVAC.

The National Motoring Heritage Day was not well attended as the Ipswich Council could not give the OK to use Queens Park until 24 hours before the day [not surprising ???] so getting the word out to clubs was difficult. However there were still about 100 attending. Chris moved we should keep the date locked in for next year as he is sure the government will have the councils sorted out before next years date. I forgot to ask if QHMC received the \$6.000 from Ipswich Council to help run the car show. ????

The web sight is being sorted and should be running with clubs being able to access to log their news and events. A Face Book sight is being built to cover things face book covers. Big Carl and Trevor are working on starting a News Letter which will cover a lot of issues. They have sorted a sponsor to cover the cost.

CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Clubman of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. If for any reason there is a change to an advertised run, details will be in the Coming Events page on the Club website at www.qld.mustang.org.au.

The Club Calendar lists designated events / activities and these are therefore recognised as sanctioned Club Runs. Points towards Clubman of the Year are only awarded for attendance at the official 1st Sunday of the month Run (or Saturday where appropriate).

Mid-Week, Mid-Month Run Wednesday 16th May 2018
Green Frog Hollow Cafe & Garden Centre, Logan Village

The sun was shining, 15 Mustangs were polished and 27 lovely people were keen to finish their coffees at Springwood Coffee Club and get on their way to Logan Village. Les handed out the directions and off we went. After a very pretty drive we arrived at The Green Frog Hollow Cafe & Garden Centre where we parked our ponies and headed inside. A covered garden area was set aside for us providing garden views with water features. Several water dragons were lapping up the sun and hung around for us to snap some photos. Meals were soon filling the tables and it was great to socialise and have fun in a great location with some very special Mustang people.

Thank you Les for organising another great run.

18th JULY MID - WEEK RUN TO DAYBORO

Part of this run will be a pretty cruise past Petrie and out through the hills and dales to the delightful village of Dayboro.

We will be dining at the Dayboro Bakery so bring some hunger as the fresh baked food is sensational.

A close acquaintance of mine (who shall remain anonymous), call their pies casseroles with lids on and cannot wait until she gets out there to sample some more.

We will meet at Shell Nudgee (be aware of changes to the exit if you are coming from the south side) at 10:30 for 11 am departure

**Please let me know of your attendance
by Saturday, July 7th**

MID WEEK RUN TO MOUNT FRENCH

Seven of our Mustangs gathered at BP Truck stop at Archerfield. The weather was excellent with the promise of a fantastic day ahead. Off to Boonah for a coffee break at Flavours Coffee Shop where we met new members Peter and Deb Easton (they had a prior engagement, so could not come along with us). They were made feel very welcome by the Club Members and left us looking forward to coming on future runs.

Time to go and we headed on up to Mt French – the ponies climbed the mountain easily. Wow, this is a fantastic National Park with excellent facilities. Breath taking views and a crisp, fresh bite in the air. Out with the binoculars and cameras to capture some amazing scenery. The run was a BYO picnic lunch, most came prepared (good little boy scouts and girl guides), while some of us forgot and ordered picnic supplies back at "Flavours" - lucky we stopped for that coffee break!

Upon arriving at the picnic area there seemed to be a bit of a "status show" among the group about who had the best fold out picnic chair. Check out Georgina's luxury model, while Greg and Jan had their own little private area completed with fold out table - very well organised :-)

Great weather, great company, great views and scenery, great run for the Mustangs - cleaned out any cobwebs with all seven Mustangs performing beautifully and attracting a lot of looks and admirers.

Thanks to Les & Bev for an awesome day out. Well done!

S.I.V.S Rego Info for New & Old Members

(Special Interest Vehicle Scheme)

Ask yourself the question, is your Mustang over 30 years of age and do you really want to have your classic car on full registration? There will be a number of members that will say “yes” as there are a few people in our club that prefer to be able to drive their baby when ever their little heart desires. However with the busy lives that most people have these days, the poor old girl will more than likely just sit in the garage for a couple of weeks on occasions and not get driven at all, except for the monthly club run hopefully, and other sanctioned runs.

As we are getting quite a number of new members each and every month, this letter is aimed primarily at the newer members, and also as a gentle reminder to some of the “not so new” members as well and will re-appear from time to time.

In addition to the cheaper Rego (which is only about 20% of full rego) you may also be able to receive a cheaper premium from your insurer as well, so you are on a win / win situation. Just call your Insurance company and make the inquiry, and if they don't offer you a reduced premium, think about changing to one that does. Just tell them that your car is now on Concessional Rego, it's as easy as that.

As to the usage of your car, there are a few restrictions, but the advantages far outweigh the disadvantages in my opinion.

If you still like to use your car especially at weekends, there are numerous “events of interest” such as Willowbank and Lakeside race days and other motoring events and car shows that appear in our magazine, and on the internet that you can attend legally, as long as it is a " sanctioned " event from an Incorporated Club. We also have a " mid month " run for those members that may be retired, or have that day off, and you will also find these details in your Club Magazine.

If you wish to be updated with the latest events of interest, it's very easy. You can contact our Run Co-ordinator, Neil De San Miguel, (Neil DSM) and he will put you on his mailing list with all the latest sanctioned events that might be of interest you. His contact details are in the front of your Monthly Magazine or on the web.

To find out more about club rego, just give your friendly Vehicle Dating Officer a call, on (07) 3886 8798 or just send an email to me. The email link is in the front of the club magazine along with all the other club officials. Click on Vehicle dating Officer, and I will steer you in the right direction.

However, a word of warning, if you cease being a member of an "Incorporated Motoring Club" and keep driving your club rego car, or even think about using it as a daily driver, you will face the long arm of the law, and the fines will be very steep, and you could also put your club in the “poo”

Remember, Club Rego is a “privilege” and not a “right”, please don’t stuff it up for others.

Happy Mustanging

Mustangs

MUSTANGS AT HORIZONS

ELEVEN mustangs came to My Horizons at Capalaba on April 18, the first car club to visit the site since it opened.

The visit also coincided with the mustang's 54th birthday and Jean Vincent of the Queensland Mustang Owners Club said it was great to celebrate the day with a mid-week run from Morningside.

"Whenever there are 11 mustangs in a row, it always turns a few heads." The bush pantry cafe is open week days.
