Presidents Report

Hi everyone, not really a report this month - more a look to the near future.

The most immediate big thing in our collective future is the Cool Classics & Hot Wheels car show, otherwise known as our State Concours. The Concours Committee have put in a lot of work and swung some great deals for the club. The club (that's all of us) have taken in a lot of donations in money and kind and have obligations to look after the donors, supporters, vendors, sponsors, our designated charity (Autism QLD) and of course our club by putting on the most successful car show possible. The planning and organising is all in place, so the only thing that can derail this event is poor participation. I'm quietly confident this will not be an issue. Have you booked a spot?

The next big thing in the future will be the Annual General Meeting and Club Elections. The best chance for everyone involved in the club to see in detail how well the club is going and also the best time to commit to the club's future success. There is a nomination form in this magazine - stick up your hand and have a go. It's a chance to give back to the club, share the load and you will find you get more out when you put more in.

The smaller things in our future are the regular runs and events. Certainly, things to look forward to based on recent experience. I hope to see you at one of these soon.

Cheers,
Chris

AUGUST RUN REPORT

OBSERVATION RUN TO OLD BRITANNIA HOTEL LAIDLEY

Arriving at meeting point - Home Base Jindalee – weather was gorgeous, cars bright and shiny (as were the members joining us for this “mind bending “run).

Brekky and Coffees sorted at Maca’s – we were off on our convoy down the Centenary Motorway with questions in hand.

A few brain teasing moments before our Morning Tea Stop at JF Burnett Park – Warrill View certainly seemed to blow out the cobwebs.

And just for a little extra challenge, our members were also greeted with 20 General Knowledge questions....I can still hear the groans....good thing there was chocolate slice etc. to sweeten the masses....

After this brief stop, we were off for the second part of our run – heading for The Old Britannia Hotel Laidley....

It was noted that there were a few confused members with some of the questions just a touch out of order...suffice to say the Ex Run Co-ordinators were a little rusty, but hey, always good to throw the cat amongst the pigeons.....and given the eventual markings of many perfect and near perfect scores, we maybe didn’t confuse as many as thought...

Arriving at the hotel, all cars parked, we headed into our reserved seating for a much needed thirst quencher.

Time for lunch – great meals had, everyone satisfied by all accounts.

Prize winners for Lucky Car & Raffles

Lucky Car – Cheryll and Andrew White
Redrawn – Rob and Jane Switzer
1st Ric and Di Dunford
2nd Georgina Elliot-Nelson
3rd Georgina Elliot-Nelson
Redrawn – Ray and Marice Saunders

Now, the all-important question – who was the most observant and who had the most knowledge....

1st prize – Ray & Bernadette Law

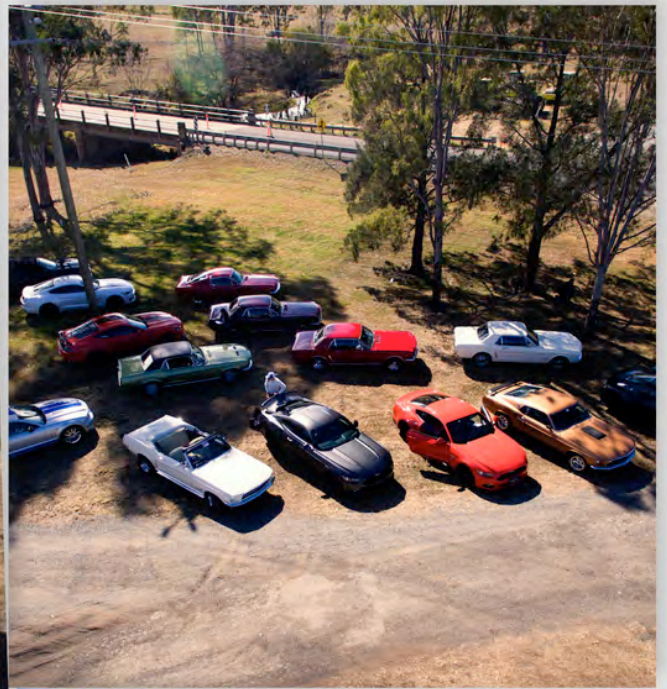

A tie for second and third - Tony & Jean Vincent/Bevan and Lynn Dryden

Great work guys – thanks to all for your participation of what turned out to be a really fun run....

On a side note – many of our competitors came up with a perfect score for the Observation Run – thank goodness for the General Knowledge Questions to separate the men from the boys....

Cheryll White

OUR ALL-NEW MULTI-LEVEL RACE TRACK IS NOW OPEN!

Mid-Week, Mid-Month Run Wednesday 19th July 2017
West Mount Cotton Nursery & Gardens, Mount Cotton

Blue sky but howling winds didn't deter seven magnificent Mustangs from gathering at the MOCA clubhouse for another mid-week adventure. Rugged up and raring to go, we were led by Les and Bev with their rag top down and smiles sky high.

Les had received a call from the café earlier to say that due to the blustery winds they were relocating us from the top deck to a lower more secluded area to avoid being blown away. Great we thought, that makes sense.

We set off around 11am for a scenic drive to our destination. We found ourselves meandering along some lovely country roads, not only admiring the scenery but also the beautiful ponies ahead of us.

Arriving at the West Mount Cotton Nursery & Gardens, where two other Mustangs joined us, we found out tables beautifully laid out on the lower level. However, the area was quite shaded and didn't have the stunning views of the upper deck. What the heck, we'd brave the cold winds to feast our eyes on those fabulous views. So, a little troupe of club members moved all the tables and chairs back up to the upper deck. We lasted all of five minutes! It wasn't easy holding down the table cloths, finding enough clothes to keep warm and retrieving numerous items that had been launched from the tables. Barry Lane made the wise choice of yet again moving the tables back to the secluded lower level but placed in a now sunny spot. Heaven - we no longer had to hang onto the napery and were able to divest ourselves of a few layers of clothing. We still had reasonable views, were shielded from the wind and had the sun to warm us. We went on to enjoy some fantastic home cooked meals, shared some great stories and generally had a laugh (Tony and Barry we're not mentioning the hats).

Thank you Les for organising another great run. We look forward to the next one! Jean Vincent

SHELBY DISPLAY AT 'ALL FORD DAY'

WILLOWBANK, QLD

This is a wonderful event, put on by the GT Falcon Club of Queensland. Normally 1000 plus FORD cars are showcased by their proud owners.....Antique, Vintage, classics, muscle cars, hotrods and race cars right through to modern day chariots.

Unfortunately, this year, the day dawned overcast and the heavens opened up early, which would have put a few people off bringing out their pride and joy. Bummer!

At 4 am we left home with the trunk of our new 2017 Shelby packed to the hilt with chairs, table, banners and portable shade cover. Just before 6 we joined the long line of keen owners outside the venue. Still raining and miserable!

We were allotted a great piece of (soggy) real estate next to East Coast Customs who brought along some great looking Roush Mustangs.

We were expecting around 10 Shelbys, but the damp start to the day reduced that to 5 brave souls... 4 late models and 1 classic, a 69 GT 350 Grabber Orange beauty owned by Pauline Tarn, which went on to win a trophy for best Shelby.

The weather improved enough by mid morning to allow track preparation for an ear splitting, first ever run by a new 67 Shelby "Door slammer", that laid down what appeared to be an awesome run.

Thanks to Al Rogers and his 2008 KR, John Smith and his 2009 KR, Albert Sophia and his 2009 GT 500, Pauline Tarn and her 69 GT 350 and of course our beloved Miss Ebony rounding off the display.

We look forward to doing it all again in a few weeks at MOCA Qld's State Concours.

Colleen and Darryll Ashby (Qld Shelby Rep)

TESTED ON ANIMALS

DEVELOPED AND PERFECTED ON ALL OUR BEASTS

Allan Moffat's 1969 Trans Am Mustang is one of the many animals we test our car care formulations on. It can take months, even years of evaluating and reformulating before we approve any product. Each formulation is a handmade creation of the highest quality, to ensure you receive a product that you will love to use as it beautifies, nourishes and protects your car from Australia's harsh climate. We are an Australian family owned company, who live and breathe the car culture, so you can be assured you are getting nothing but the best when using anything with our name on it.

We tried everything. We now make our own.
