Alan informed the meeting that the lease renewal was nearing completion. We have the lease, a census & a council building inspection all due in the next few months. Bob Gilmore asked the question why we retain the clubhouse instead of meeting at one of the clubs. It was voted on last year that we renew for another five years. It is also in our constitution that we provide a clubhouse for our members.

Ed spoke about an article regarding a Mustang Owner paying for an elderly gentleman's groceries. She is not a member of our club, but one of our members recognised the plate #. She has a bakery at Jacob's Well. It was a very nice thought, and much appreciated by the person concerned.

Ed also asked for interest in the Stanthorpe run. Contact him or Neil if you would like to join us. All monies raised will go to the Stanthorpe Firies.

It has been raised that the club take some of the residents of Blue Care facilities would like a drive in an early Mustang with morning or afternoon tea afterwards. Monique has been getting all the necessary information and we will work on this.

SECRETARY

Do we have any Graphic Artists in our Membership that would like to have a go at designing the Logo for the 2021 Mustang Nationals which is to be held on the Gold Coast and hosted by MOCAQld. Or someone who has a brilliant idea and can do a stick drawing or something of their idea but not able to come up with a print correct drawing?

Ideally we are looking for a logo that embraces the vibes of the Gold Coast and our great State, ie sun, sea and sand and of course our mustangs.

The logo for the 2016 Nationals held on the Gold Coast was one that pictured one of the spectacular buildings on the coast. Go online and have a look at the logo that South Australia are using this year for an idea of what is required.

MOCA Qld will make a presentation on the 2021 event at the Nationals being held in Adelaide at Easter and it would be great to have a logo ready for that presentation

## PRESIDENTS REPORT JANUARY 2020

Well the start to another year and we and our cars are a year older and both have problems as they age. Hopefully our Mustangs get more valuable unless the EPA has their way. I read an article from Europe where the emission laws are to change and the current emission exclusions on older "historical cars", yes all of them from Karl Benz 1886 Motorwagen onwards will no longer apply. Unless they pass current emission controls these cars will not be allowed to run on public roads. I just hope our legislators do not get that enthusiastic.

One of the questions I get asked frequently is "who can I take my car to have the upholstery replaced or who can fix: brakes, steering and the list goes on." They are coming to MOCA either due to a bad experience or they just don't know where to get quality repairs carried out to their mustang. This request brings up a dilemma, if we as MOCA develop a list of tradespeople who have done a great job for one or more of the members and then does a less than perfect job for someone who has used them after reading our list, we may be liable as we recommended them. But if we don't help fellow Mustang owners, we are not living up to the club's ideals.

One way of managing this would be to have the list drawn up along with a disclaimer, (the words need improving) pointing out that MOCA does not carry responsibility for the quality of the work of the tradespeople listed. It is totally the responsibility of the person using the service to satisfy themselves with the quality and reliability of the provided service.

The Trades listed can advertise in the magazine if they wish, but if a valid complaint is put forward that Trade will be removed from the list. The Management Committee has control of the list.

Happy motoring

## FEBRUARY RUN

We met at Shell Nudgee and after a catch up and chat and the other usuals like coffee etc, we set off for our destination, Club Pine Rivers.

The run was ably led off with a red **JEEP** Grand Cherokee leading the way and **Jerry** the **JEEP** was proud to be leading such a magnificent line of 20 **MUSTANGS**.

It was a pleasant drive and the Mustangs enjoyed the run up the Motorway. The run leader took the early turn but, it was ok as nobody got lost and the leader knew where to go and his Jeep got him there...

We had a lot of barefoot bowlers and some looked like they had been on a bowling green before, and some had not. We had some bowls sent down close to the jack and others went in the gutters, and some even tried to win by playing their bowls onto the next lane. There was even some stealing of other teams' bowls...all in all everyone enjoyed the game. Trophies and medals were presented after the game, some bowlers tried to bribe the judges, we weren't keen on the bribe of a used tissue...yucky. Dinner ordered, raffles drawn, more chit chat, and then time to leave.

Good run with great people, laughs, good entertainment, good food, and some drinks, what more could you ask for. It was good to see Vic, Bev, Martin and Sue, drive up from the Coast to join in the fun.

Thanks, Neil, for all you do with the runs, we understand and know what the runs entail, let's hope you keep getting some more help.

We enjoyed our Saturday night and hope you did too.

## CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Club Person of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. The Club Calendar lists designated events / activities and these are therefore recognised as sanctioned Club Runs. Points towards Club Person of the Year are only awarded for attendance at the official 1st Sunday month Run (or Saturday where appropriate).

**Sunday 5<sup>th</sup> April to Sunday 19th April 2020**

Come and join the fun participating in a 15 day (14 night) roadtrip to Adelaide and back for the 2020 Mustang Nationals.

We will visit many smaller country towns along the way and admire their local artwork adorning water tanks, silos and some buildings. We even get to a lap of Mount Panorama on our return leg. Speed limit is strictly 60 kph or risk significant contribution to the NSW Govt. We will also check out the museum at Murray's Corner.

We travel through 4 states covering on average 450km per travel day. The journey to Glenelg will take 5 days, with 4 days in Glenelg followed by a 6 day return. The complete roadtrip will add a little more than 5000km to your pony's odometer.

Accommodation whilst travelling will be on average around \$120 per night. This doesn't include accommodation for Glenelg as that is booked separately through the South Australian club.

10 queen rooms have been held at each overnight stop, multiple bed rooms are available just let me know what you require when confirming your attendance.

## February Mid-Week Run Report

We left the BP Archerfield at 10am with 7 cars, some non-mustangs, due to some rain earlier in the morning a few people decided to cancel but the weather fined up just in time for our departure.

We headed out through Fernvale and over the Wivenhoe Dam then up the windy mountain to "The Moore" at Ravensbourne, the scenery was spectacular, everywhere was so lush and green, just like an English countryside but with the stark reminder of what was just a couple of months ago with hundreds of acres of burnt out land and blackened trees, with signs of new growth sprouting from the trees and green grass all around.

On arrival we were joined by another couple of cars making a total of 9. The views from the restaurant were breathtaking and the air was so clean and fresh, it gave us all an appetite we even had desert!

It was so peaceful and relaxing I would like to have stayed there for a few days which you can do for a reasonable rate in one of their beautiful cabins.

We had a limited menu to choose from, but all of the meals were home-made and delicious and the staff treated us like VIP's! Just as we finished lunch the clouds rolled in and the rain came down so we all headed off home, I would definitely go back again and stay a few days just for the serenity, a perfect place to relax and unwind!

## EVENT OF INTEREST CALENDAR

This calendar is designed to assist members in planning ahead for events that have been sanctioned by the Club, other than designated Club Runs and not necessarily organised by the Club. Club Person of the year points are not assigned for these events. There is more detail about each event on the following pages, including the location and time to meet and the contact details for the club member who has volunteered to organise the Club's participation in the event. ## March Mid-Week Fun Run - Weds 11th March 2020

### Esplanade Cruise & Morgans Seafood Diner Scarborough

A meandering cruise along the beautiful Redcliffe Peninsular and Esplanade is planned for our March mid-week fun run. The cruise will take us to Morgans Seafood Diner at Scarborough where the newly refurbished outside covered seating area has been reserved for us. Plenty of parking available at this venue.

For the discerning seafood lover, Morgans Seafood is the crown jewel of Queensland's establishments. Morgans is located right on the stunning Scarborough Boar Harbour and has views to the iconic Glasshouse Mountains. All fish is freshly caught and cooked to your liking and is too good to miss!

Morgans is a family owned business and the owner is keen to make the Mustang Owners Club of Queensland welcome.

## May Mid-Week Fun Run - Weds 13th May 2020

### The Barn & Scotty's Garage

Step back in time, you'll be amazed! The auto museum will take you back to the 50's & 60's and a tour with Scotty is only \$10 per person.

The Barn, an authentic BYO rustic Aussie dining experience, is set within picturesque surroundings and offers good old fashioned home style cooking.

There's good photo opportunities with your Mustang in front of the garage and parking is excellent.

The Barn & Scotty's Garage, located at 1709 Flagstone Creek Road, Upper Flagstone, in the Lockyer Valley, doesn't usually open on a Wednesday but they will open exclusively for us provided we have a minimum of 20 people. It's about a 1.5 hour cruise through some very pretty countryside. We estimate arriving at Scotty's around 11.15am to give us an hour to tour the garage with Scotty before heading into The Barn for a leisurely lunch.

Meeting: BP Service Station, Cnr Randolph St & Boundary Rd, Archerfield
