It will be put on the listing that we have on motions passed by the floor.

Russell asked if there was a program that would send out membership renewals to make it easier for the treasurer. A few avenues have been explored with no results forthcoming. He also asked that the entry form for the 2019 concours have the T Shirts on the form as well as the cars to save duplication of receipts.

Presidents Report

Hi Everyone,

I'll start with a question, will you, your significant others and your cars be ready for our State Concours? It's on Sunday 8th of September, so everyone should be sending in their entry form right now! This event is the club's biggest fundraiser other than the Nationals. Some of the funds raised will support our nominated charity and the balance will help fund the operation of our club. Please get into it straight away - last minute crisis planning will only punish the volunteer committee and could limit the success of the event.

Gotta love this time of year, it's car season and a great time to be driving any Mustang but particularly the classics. They just work so much better and are much kinder to their owners when it's not 35 degrees and humid. Let's get them out there!

The Annual General Meeting and elections are coming up very soon. The marker I use as a reminder is when the treasurer starts talking to the tax bloke and the auditor. All committee positions will be open, and I believe it is time for the next group to step up. You will not offend anyone if you nominate to "take someone's job", it's about sharing the load. I know there is a lot of talent in the club so please show yourselves and take us into the future. The club is well organised with a large membership and is in a strong financial position, so the next committee needs to be able to carry this forward for the benefit of the membership. It's interesting work, you will learn heaps and get to interact with lots of interesting people.

Happy Mustanging.

Chris Holst

Hello Members,

I am again chasing up some members who have made payment to the Club account for Membership Renewal and omitted to indicate who they are!

The first one was on the 03/06/2019 from a CBA account with the notation "Membership"

The second was on 26/06/2019 from Bendigo Bank with the notation "me",

The final one was on 04/07/2019 Deposit 0000000.

Please check your accounts for these transfers and let me know if you have made these deposits. As mentioned last month you run the risk of having your membership cancelled. It is imperative that the treasurer is able to allocate these amounts to the correct Member. Your Surname and or Invoice number is the only way to do this and makes the job so much easier as there is a lot happening at the time of the year.

Todd Kalpus, member Q1182 was the this years' winner of the Early Bird Draw. Todd will get free membership for next year 2020-2021.

Keep the interesting articles coming to help make the magazine of interest to all members, and also any photographs of your vehicles are always welcome for the magazine cover.

You will find in this magazine nomination forms for the committee positions that will become vacant at the September Meeting, I reiterate Chris' comments, we are a large club with members from all walks of life with the ability to take the Club forward, new faces are encouraged to step up to the plate.

Also included this month is the registration form for the State Concours - all members are encouraged to enter whether it be for judging or display purposes, the more cars the better the display for the viewing public.

Kind regards

Robyn Messenger

July Run Report

This month's run was to Lakeside race track, I had to move the meeting point due to Council activity at Wyllie Park, the new point was Maccas on Anzac Ave, easy access for North or South members. This may have confused a few members, sometimes a late change happens so remember to keep your email address up to date.

With the previous week being rather damp a lot of events had been cancelled, it was good that the track stayed open, there was a little surface water around, surprisingly the parking areas were still quite hard.

With the driver briefing over and wearing an arm band the track runs were set, QR had a new style driver briefing this time, which was a great idea. They may need to add that this track is only wide enough for two cars.

Luckily the weather cleared enough for us to have some track time, as we had a good turnout of cars. The cruise sessions was split, VIP, open, Classic etc, which seemed to work well. Congratulations to Georgina, who won the trophy for best Modern,

Note when "cruising" on the tracks remember to be courteous and to give way to faster cars.

Prize winners for the day were,

Some One-Liners

The Grim Reaper came for me last night, and I beat him off with a vacuum cleaner. Talk about Dyson with death.

A mate of mine recently admitted to being addicted to brake fluid. When I quizzed him on it he reckoned he could stop any time....

I went to the cemetery yesterday to lay some flowers on a grave. As I was standing there I noticed 4 grave diggers walking about with a coffin, 3 hours later and they're still walking about with it. I thought to myself, they've lost the plot!!

My daughter asked me for a pet spider for her birthday, so I went to our local pet shop and they were \$70!!! Blow this, I thought, I can get one cheaper off the web...

I was at an ATM yesterday when a little old lady asked if I could check her balance, so I pushed her over.

I start a new job in Seoul next week. I thought it was a good Korea move.

I was driving this morning when I saw an RACV van parked up. The driver was sobbing uncontrollably and looked very miserable. I thought to myself that guy's heading for a breakdown...

Statistically, 6 out of 7 dwarves are not Happy.

My neighbour knocked on my door at 2:30am this morning, can you believe that, 2:30am?! Luckily for him I was still up playing my Bagpipes.

August Mid-week Fun Run **POINT TO POINT COASTAL CRUISE** Wednesday 21st August 2019

Please Note: This run is a week later than usual because of Brisbane Ekka week.

This run I have called "POINT TO POINT" for obvious reasons. We will begin at the Club House and head off to Oyster Point, Wynnum North. Then we will proceed along the Wynnum Manly Waterfront to Lota. Leaving there we will head around to Wellington Point then back up and around to Ormiston and through to Cleveland Point. From there we will travel back up to Cleveland to Sharks Bowls Club and enjoy some well-priced lovely food and comradery.

Meeting place to begin the run will be the Club House at 10am for a 10.30am departure.

Please advise me of your attendance by Saturday 10th August.

Many thanks. Les. 0422692438

PEAK CROSSING A DAY IN THE COUNTRY

The Jaguar Drivers Club of Qld, along with The Rotary Club of Fassifern Valley, invites the Mustang Owners Club of Qld members, along with other selected car clubs, to join us at a Charity Day on Sunday 25th August 2019 at Peak Crossing from 10am onwards. All funds raised go to The rotary Club of Fassifern Valley.

This is a unique opportunity for invited car clubs to mix with other like minded car enthusiasts, without general public, to view a spectacular and diverse range of cars whilst supporting a great charity.

Rotary Club will be serving refreshments, including morning tea (the lamingtons are legendary), and a bbq lunch at reasonable prices. Your support of their efforts is greatly appreciated.

A mobile coffee van will also attend.

Entry fee at the gate will be a donation of \$20 per car.

Please RSVP by **Weds 31st July 2019** to:
