## From the President,

Hello to you,

Well, a lot of us finally and legally got to go on a run and get together, however we will not be meeting at the club rooms for a while yet. Even though in July we will commence stage 3 restrictions, these allow for larger groups of people to meet. But unfortunately for us, the average meeting size is 40 people, therefore we will not meet floor area criteria of 4 M<sup>2</sup> per person, this means meetings controlled by invitation only or we wait until the next relaxation of rules. The management committee has elected for the latter we wait, maybe this will happen in August or September we will just have to wait and see. Just in time for the Annual General Meeting!

Regardless of the restrictions we have been busy over the last month:

**The Air Conditioning in the club rooms** have been full upgraded, we now have two cassette units fully installed and working at the press of a button. The units are installed at each end of the room this way we should all be cool. Thanks to Ed who managed the job on behalf of the club.

The “**upgrade**” of the **sewage system**, this is on hold. It is still working to satisfactorily. As mentioned last month the council is going to have an input into this, but I don't expect to hear back quickly. I am told that Robin Bath may have some knowledge as to where the pipes run. We will contact him.

The **two dead trees in the car park**, waiting on assessment by the council as they are their trees.

**The run** on Jun 17 was a great success, 25 cars, the report is further in the newsletter. Parking was a bit tight as everyone else in the Brisbane had the same idea, a picnic in the park.

We are now looking at tidying up the ground floor making it neat and tidy then repainting the outside of the building. For those who do know we are required under the terms of our lease to put in a maintenance plan for the next 5 years and from time to time the council checks up on progress. A plus side of Covid-19 for us is that trades people are looking for work and giving good prices at this time.

At the recent Management Committee teleconference we re-examined the feasibility of holding the **2021 National Concours in Queensland** but after debating the pros and cons, it was decided stay with our original decision **not to hold** the event.

We have decided to look at the feasibility of holding a **car show in November**, at this time our thinking is for it to be multi club, show and shine event, with no formal Mustang concours style judging. However, if enough members ask, we will see if we can run a judging tips event at the car show for those interested members. (Please contact me if interested)

I hope to see you all at the **next run** to be held on Sunday July 5<sup>th</sup> a drive for “High Tea” at Toorbul, please **Stay Safe** and happy motoring again.

## June Run Report

Hi Members,

The mustangs finally were allowed out after the C19 hibernation .... Hooray!!!

A good selection of shiny cars arrived at the meeting point, after the usual formalities, we soon were off at a gallop up the freeway for a short distance to exit 120B, then through Brendale, Eatons Crossing and up Clear Mountain Road. It was a beautiful clear day, and if the passengers looked to the left as we cruised through the upper sections of Clear Mountain Road you could see Brisbane way off in the distance.

We had a good turnout, 27 cars including a Ringin, the group stayed together well, the two by two rows of mustangs through the lights was a great sight to see.

I knew parking was going to be iffy, but we all managed to find a stall! With the cars unloaded tables and cooktops appeared, there were a few swapped notes on the "camping" cookers on which there were a variety of delicious meals being prepared.

Thanks to all the helpers in creating another great day out!

## Guidelines for MOCA (QLD) Organised Car Runs

With the continual changing of DOTMR rules applying to SIVs registered cars, it has become necessary to set out guidelines, to be followed by any club member organising a car run that is to be sanctioned by MOCA QLD. A run that is sanctioned will allow those members with SIVs registered cars to take part in the event, legally and have full insurance coverage (that is assuming they are insured). If these guidelines are not followed, there could be a negative impact on MOCA (QLD) and the owner of the vehicle, should it be found that someone is using their SIVs registered vehicle contrary to the SIVs regulations.

For a run to be sanctioned by MOCA (QLD), it has to meet the criteria set down by the DOTMR to allow SIVS registered vehicles to participate in a car run/club event. To do this the following conditions must be met.

1. The run must be open to all financial members of the Club to participate.
2. The run must be advertised on the club website, magazine or other electronic media the club may choose to utilise.
3. The run must be given a sanctioned number by the run coordinator or nominee.
4. Where possible the run must have at least a 7 days' notice period to allow review and posting on the website etc. When a lesser notice period is given SIVs sanctioning cannot be guaranteed
5. The organisation of the run must follow the MOCA(OLD) run guidelines that follow this note.
6. A register of those attending must be kept, this register must contain the following details
  - a. the name of each attendee,
  - b. the vehicle registration number
  - c. the vehicle make i.e. is it a Mustang Y/N
7. A copy of this register must be sent to the club secretary immediately after the event, for safekeeping and for reference if requested by the DOTMR or insurers.

Under the Club constitution, the club must hold one run a month on the first Sunday, all financial members and invited guests may attend.

Other runs may be organised by members at any time in the month. If they are to be sanctioned, they must follow the MOCA (QLD) run rules. Guests may attend these runs as invited by the run organiser. No run using the MOCA (QLD) name or club media tools (newsletter, webpage or electronic media) can be undertaken, without fully adhering to these rules.

This all being said, MOCA (QLD) fully support all opportunities that allow everyone in the club to join in and enjoy their Mustangs where possible.

### General guidelines for organising a MOCA sanctioned car run

- Runs should be designed with all members in mind, therefore where possible, runs should alternate between Southern, Northern, Eastern, and Western suburbs/directions from the club rooms.
- The person organising the run if they wish it to be sanctioned, must submit the details of the run to the club **Run Coordinator** for approval.

### Guidelines

- Runs should be scouted by the organiser at least two weeks before the run to
  - Confirm the route
  - Define road condition
  - Check for toilets along the way
  - Fuel stops
  - Parking at venue.
  - A meeting point for the start of the run and meeting time needs to be defined as does the departure time from the meeting point.
  - If a meal is to be provided by a third party i.e. a hotel then the menu should be obtained. If pre-ordering and payment is a requirement then this should be done at the meeting point, then the order phoned through to the venue.
- Run Briefing
  - A run briefing will be held by the run organiser at the departure point
  - This briefing will outline the run, the duration, and problems that may be expected along the way, and any planned stops
  - Any fees or charges will be detailed.
  - The run organiser will advise what run members are to do in the event of losing the run leader or a break down.

## **Guidelines for an Impromptu Event – where a sanction number is not required.**

### **The DOTMR - Definition of an Impromptu Event is as follows :**

*An impromptu event is an event that has been initiated by a club member, involves one or more vehicles, and must comply with the following elements:*

- *involves an invitation to wider club members to attend the event; and*
- *is either*
  - *endorsed in advance of the event by the relevant club or Australia Street Rod Federation committee; or,*
  - *where it exists, complies with published club guidelines as to what is a valid event; and*
- *is listed either in the newsletter, on the website, or social media page (or in another manner approved by the club or Australia Street Rod Federation, such as the club calendar of events) prior to the event.*

**Note:** *Incorporated vehicle clubs should maintain a register of endorsed impromptu events. This register should contain information on the impromptu event.*

### **MOCA (QLD) members organising any impromptu event are required to follow these steps, before an event takes place**

1. An Impromptu event / run needs to be posted up on the club's Facebook Page and if possible the clubs webpage. Sufficient prior notice needs to be provided to allow other members to respond, ideally 7 days' prior notice will be considered reasonable.

2. An impromptu run, must be an open invitation to all club members to participate and this needs to be clearly stated in the posting of **ANY** such events.

3. Those wishing to attend an impromptu event invitation – are required to have their details recorded **PRIOR to PARTICIPATING** in the event – information that you will need to provide in your response to an impromptu event invitation are as follows:

- State your MOCA (QLD) membership number
- Your vehicle registration number – highlighting if it is on SIV'S registration
- Plus, the club members name or names of those attending the event.

This can also be done via your response to an impromptu invitation via our club Facebook page. Or by way of notification to the club secretary, which has then been acknowledged by the club secretary prior to doing so. The best and simplest way will be via the Facebook page.

4. A separate final record of all attendees must be kept by the organiser or poster of the impromptu event –full details needed as outlined above must be obtained for cross referencing purposes if ever asked by DOTMR or an Insurance company are as previously stated : **MOCA (QLD) membership number and car rego plus those persons attending.**

The above information **must then be submitted to the club secretary** within 48 hours of the event being conducted.

*Understanding, if you post up an impromptu event on the MOCA (QLD) Facebook page, you are then also taking on the responsibility of carrying out step 4 as outlined above.*

Hi Fellow Members

My road leading to the purchase of my MY18 Mustang GT V8 is a long one.

It started on September 3rd, 1962 when I turned 16 and still at school in London UK.

Unable to afford a car I purchased a BSA Bantam 125cc motorbike for 7 pound. Living in London in the Swinging 60's it was natural to become a 'Rocker' and join the 59 club and ACE Cafe. British bikes were IT so owned many makes in that period.

My first car in 1968 was a Ford Anglia, followed by a Ford Escort in 1969. Arriving in WA as a 10-pound Pom in 1970 my first car was a Ford Falcon. In the last 50 years I also acquired a Ford Sierra and a Ford Focus.

On retirement I returned to motorbikes and started racing in NZ a Suzuki GSXR 1000 K5.

This bike (No 63) is painted yellow / black after Joey Dunlop (26 IOM TT Champion).

So, when I decided to hang up my spurs at 71 and return to riding a 4-wheel horse a Ford Mustang was the only choice. After due diligence I waited for the MY18 model to be released with this spec ex-factory.

5038 cc V8 engine (rev limit 7500)

Dual Fuel Injection

10 Speed Auto (paddle shift)

Magneride Suspension

19 in Forged Alloy Wheels

Recaro Seats

Rear Spoiler

Triple Yellow / Black OTT stripes colour scheme.

4 Branch Exhaust with Sport / Track / Drag modes.

Programmable Track Modes Engine / Steering / Suspension

Wanting to keep my driving skills this car is perfect for Australian conditions on road and track. I naturally joined the Mustang Club to be able to share my love of V8 cars. Looking forward to NATS Conference in Adelaide in April..... **Graham Sherrell**

## August Mid-Month Fun Run - Weds 12th August 2020

### The Barn & Scotty's Garage

Step back in time, you'll be amazed! The auto museum will take you back to the 50's & 60's and a tour with Scotty is only \$10 per person.

The Barn, an authentic BYO rustic Aussie dining experience, is set within picturesque surroundings and offers good old fashioned home style cooking. Good photo opportunities exist with your Mustang in front of the garage and parking is excellent.

Please note, we must adhere to whatever Covid-19 restrictions are in place at the time of the run.

The Barn & Scotty's Garage, located at 1709 Flagstone Creek Road, Upper Flagstone, in the Lockyer Valley, doesn't usually open on Wednesdays, but they will open exclusively for us provided we have a minimum of 20 people. It's about a 1.5 hour cruise through some very pretty countryside. We estimate arriving at Scotty's around 11.15am to give us an hour to tour the garage with Scotty before heading into The Barn for a leisurely lunch.

Meeting: BP Service Station, Cnr Randolph St & Boundary Rd, Archerfield  
Meeting time: 9.30am for 9.45am departure
