SECRETARY

PRESIDENTS REPORT

Happy New Year to you all as 2019 gets off to a flying start. Participation is going to be the theme of this report - I can hear a few groans but stick with me while I explain. Participation is the key ingredient of any good club, here's a few examples;

- Our runs are coordinated and often organised by Run Coordinator Neil with help from others to sell the raffle tickets, marshal the cars or organise some of the runs. We all pitch in where we can if we see something that needs to be done.
- Clubhouse maintenance is not something we do a lot but it's a working bee when possible which gets a good crew of members involved. We will have another working bee in autumn to finish repairing the termite damage.
- Club meetings require a stocked bar, food, food preparation, raffle prizes and participation. Remove any of those ingredients and the meetings would be less social and enjoyable. Remove participation and the meeting couldn't happen at all. Social Director Georgina, Bar Person Rob, BBQ Chef Roger and their helpers all make it happen.
- The magazine and website are how we all stay informed as members and are often the first impressions of our club to be seen by prospective members. We are friendly, inclusive and hopefully relevant to all Mustang owners but without participation the Magazine would be a very small and unimpressive document indeed.

Club Person of the Year is our annual award to recognise and reward participation through the previous calendar year. The 2018 Clubbie will be announced at the January meeting.

The biggest single event requiring lots of participation will be the 2019 State Concours. We will ask for volunteers at the January meeting to form a 3-4 person Concours Committee to coordinate this event in mid-September. Please step up to exercise your organisational, entrepreneurial and delegation skills. The 2017 Concours Committee kept a very good record of their work so the next committee will have some good data to use.

I hope to see you all soon, which means we will be participating (groan).

Chris

January Run Report

Hi members,

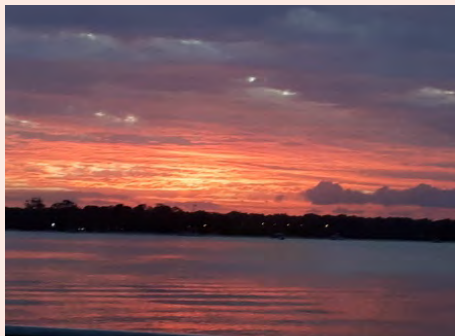

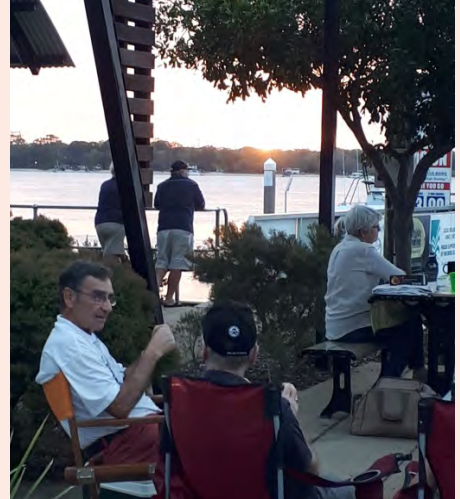

The first run for 2019 was looking a little light on for mustangs, however the cobwebs were washed away, and the late entries bolstered the numbers to a total of 37 cars, which made the run up the motorway to Bribie for a feast of Fish N Chips

We had a great run traffic was a little heavy, but we still managed to cruise on the limit, picking up the “bump ins” from the BP on the way through.

Fortunately, a couple of members went on ahead and secured the shade area for us. Tables and chairs were set, and meals ordered.

We sat around socialising while the sun dropped off the horizon.

Thanks to all the helpers and run members for making this another great mustang day!

Prize winners for the day were,

Lucky Car - Bob & Debra Gilmore

1st - Nick Werba

2nd - Wayne & Elaine Hall

3rd - Jack & Glenda Hall

4th - Carmen Rogers

5th – Dennis Freeman

Each formulation is a handmade creation of the highest quality, to ensure you receive a product that you will love to use as it beautifies, nourishes and protects your car from Australia's harsh climate. We are an Australian family owned company, who live and breathe the car culture, so you can be assured you are getting nothing but the best when using anything with our name on it.
