GENERAL BUSINESS

Chris Holst...

- Nominations for secretary position - There were no nominations.
- Winners of prizes at the Nationals were Vic and Bev Newland, and Rohan and Brenda Lindsay
- Volunteers are required to help at the Concours if you have a current first aid certificate. John Smith will discuss with Jean Vincent. Ric Dunford suggested asking St John's Ambulance - this will be an added expense.

Jean Vincent...

- It was suggested that the Concours committee ask club members if they would like to have a Presentation dinner for awards after Concours. Martin Schmidt said we would not get the numbers as the Concours is on a Sunday. The members present decided not to have a presentation dinner.
- We require someone to do face painting at the Concourse. Carmen Rogers knows someone who may do it.
The Concours committee would like all members to bring their own fire extinguishers on the day.
- The committee would like to spam out registration forms for Concourse via email. Chris agreed that this was a good idea and to see Robyn Messenger to place the form in the club magazine.

Martin Schmidt...

- I am heading to Adelaide and will join in a run while visiting. I would like to remind members to check other club websites if travelling interstate and join in their runs. John Binge said this applies when travelling overseas also.

Russell Whitney...

- I would like an update on the Concours. Neil replied - we have sponsors such as the Logan CityCouncil, Motorsports, Autowear, RACQ and Shannons. We are looking for another sponsor. Sponsorship is a good tax deduction. There will be trade stalls participating, rock and roll dancers, dragsters and petting zoo and face painting for kids.

Neil De San Miguel...

- I would like to suggest we change our run days from the 1st Sunday of the month to the 3rd Sunday as our runs clash with other club runs, public holidays and in particular Father's Day. We could trial it for one year and we could share runs with other clubs which would make organising runs much easier. Chris Holst responded - the management committee have discussed this idea and we do not want to change straight away. We would like to talk to the other clubs first. The suggestion has been taken on board and a result may take some time. Martin Schmidt said the Gold Coast chapter had their runs on the 3rd Sunday and then changed to the 1st Sunday. The Pony Club President lives in Mackay and suggested Chris speak with him. Chris Holst suggested to Neil that it would be possible to change some run dates to avoid conflict with public holidays or other significant events. Ian Fagernes said that changing to the 3rd Sunday was rejected at a general meeting of the Pony Club a couple of years ago as their members did not want to change at that time. Martin Schmidt said it depends on the committee and there was a reason the Pony Club chose the first Sunday. The Pony Club committee is approachable to discuss. Martin will send Chris the presidents email contact.

Presidents Report

Greetings Mustangers,

I bring only good news this month. First up, the committee vacancy caused by Marice's resignation has been filled by Andrew White. Andrew has volunteered to be Secretary until the election in September. Thanks in advance Andrew for the work you will do for the club in the next few months. Thanks again Marice for the work done since the last election.

Volunteers are the crucial ingredient that holds this or any club together. I can't think of a single club activity that would be possible without volunteers. The old military rule of never volunteering for anything suited that time and place, whereas here and now volunteering is appreciated and the involvement brings all sorts of non-monetary rewards.

We have all received invoices by email for 2017-18 membership renewals. This new process through Cashflow allows our extremely progressive Treasurer to keep a better set of computerised books and to minimise the time and costs associated with hand written receipts and postage. I think it's a sensible change. Please contact Russell Whitney (Treasurer) if you have not received your invoice. Pay before 30 June to go into the early bird draw where one member will win next year's membership gratis. Please pay before 31 August to avoid going "unfinancial".

Less than 3 months now to the State Concours, so I hope you are all working through the to-do list for your cars. We want to put on a good display in quality and quantity to make the most of what should be an excellent day out. My car is a driver not a show car, but that's OK as we have places for all types of Mustangs, so don't be put off by thinking your car is not good enough to display. Clean and tidy is all you need, anything more is a bonus. We need to attend in numbers to support the club, our sponsors and the vendors.

Cheers, Chris

June Run Report

Another beautiful sunny Sunday greeted me as I loaded the mustang for the run. Check list, fluids checked yesterday, (I must remember to change the brake fluid soon as the mustang is getting a bit more use with reccy runs and the monthly run) Raffles and run book loaded, coat on the back seat. I set off early for this run, as I would then have time for a coffee at the BP. Just as I arrived at the meeting spot a beautiful Excalibur drove in and there was a selection of other classics already parked. I introduced myself and found out that it was the Thunderbird club meeting here also for a run, luckily their departure time was before ours and therefore not an issue for parking space as I had 33 cars registered for this run. The members rolled in and soon we had the parking area full of shiny classic and new steeds!

I gathered the members for the prestart, and almost jumped the start, luckily, we had a member on hand to explain the time in old skool hand signals. After relaxing the ponies after the false start, we headed off, today's run would take us along the motorway for approx. 25 km before we turned off onto the country roads towards Grandchester then on through Laidley This route was the safest way to cross the Warrego highway as there was an overpass. Highways, farmland and hills all in short drive, we are very fortunate to have fantastic scenery within an hour's drive of Brisbane.

We encountered some roadworks along the way with a stop light, unfortunately this broke the group up, and a few members enjoyed a few extra miles of country side! Ah well it was a great day to enjoy the farming area around Lowood, any way we all made it to our destination, the Cotton Tree Hotel, we settled in and then joined the queue to order lunch; no pre-ordering is a lot less hassle for me, but means standing in a queue for a while as they had to process 65 orders, this time was enjoyed over a yarn and washed down with a brew or two.

Thanks to the Cotton Tree Hotel for their hospitality,

With the meals consumed and while the members enjoying a chat, we had the raffle draw. Note I am always open to prize suggestions, and remember to send your RSVP!!!

Prize winners for the day were,

Lucky Car – Neil de San Miguel

1st Matt Fulton

2nd Marice & Ray Saunders

3rd Sue & Ken Clark

DELEGATES REPORT - QHMC May 2017

National Motoring Heritage Day

National Motoring Heritage Day Display was CANCELLED because the ground was sodden from the heavy rain, with sections still covered with water. Ipswich City Council wanted the event postponed but it is on a fixed date each year, so this can't be changed to a new date.

Luxury Tax & Asbestos in Imported vehicles

A retired Legal person came along to the meeting to ask for help with his application to the government to drop luxury tax on 30 year & older vehicles. Claiming it is dearer to SIVS register in Queensland than other states. This is why he keeps his Bugatti registered in South Australia. Most people know government rules changed recently because of Great Wall & Cherry vehicles coming into this country with asbestos gaskets and brake & clutch linings so it was banned on all imported vehicles. In May a Shelby was stopped at customs and checked, customs had motor taken out to remove clutch plate, exhaust gaskets, wiring, brake linings, mufflers and other parts to check for asbestos, and the importer was given a bill for \$14,000. Part of the price would be for the box to take it home. He agreed to add the removal of the rule on asbestos in older vehicles to his application to the government.

Storage 33

The committee of QHMC were invited to the opening of vehicle storage facility Storage 33 in Geebung. It's a well-sealed building where they store your vehicle and can have it serviced or repaired before having it ready for you to use. Price is dependent on your needs. The committee thought it was good or at least the nibbles were good.

CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Clubman of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. The Club Calendar lists the designated events/activities and these are therefore recognised as sanctioned Club Runs. Points towards Clubman of the Year are only awarded for attendance at the official 1st Sunday of the month Run (or Saturday where appropriate).

MISS EBONY

After 15 months, she has finally arrived and Miss Ebony, our 2017 triple black Shelby is everything we could have hoped for!

We flew down to Melbourne and made our way out to Mustang Motorsport at Ferntree Gully. She was getting her final detail when we arrived, and Darryll paced the office floor like an expectant father waiting to meet his new baby!

I swear his face threatened to split in two when we finally feasted our eyes on her for the first time. Melbourne really turned on its best weather and she looked amazing sitting out front in the sunshine.

We decided to take her on a 'spirited' run down the Mornington Peninsular, stayed overnight, then leisurely returned back to Melbourne the next day. She burbled and purred along seemingly oblivious to the man behind the wheel constantly exclaiming "She is awesome, she is bloody AWESOME" every 2 ½ minutes!

A catch-up with friends on the Saturday evening (I bet you can't guess what the main topic of conversation was???), then back to Mustang Motorsport on the Sunday Morning for Nez's Shelby Display. 18 cars turned up with at least another 10 inside the venue making a fantastic display. Again Sunshine!

After lunch we said our goodbyes, loaded up our little debutante, and basically roared off towards the sunset...intent on making it to the border before dark. The amount of roadkill on the 2 ½ day road trip was frightening so that was a wee bit stressful but luckily, we arrived home unscathed.

Well almost...getting stuck behind a cattle truck for a few kilometres saw Miss Ebony's buxom curves getting sprayed by a foul smelling yellow fluid! That wiped the smile off Darryll's face for a while, and gave me a brief reprieve from hearing "She's awesome" for a few minutes. Mind you, when the opportunity to pass safely presented itself.... ahem, let's just say he put his foot down and her amazingly quick pass brought about a renewed batch of "SHE IS BLOODY AWESOME"!!!!

Driving home along the Hume and The New England Highways took us through some lovely countryside, with some rather cool temps. Guyra registered 0 degrees but we remained toasty warm on the heated seats! I'm not sure I will ever look at Miss Shelby quite the same.... the '66 has no radio, no air-con, no luxuries at all!!!

But Miss Ebony? She has it all She is bloody awesome!!!!

1. Debuted with Retail Price of \$2,368

The original Ford Mustang debuted on April 17, 1964 at a price of only \$2,368.

2. People Go to Extremes to Own One

Dealers were inundated with requests for the vehicle. In Garland, Tex., 15 customers bid on the same Mustang. The winner insisted on sleeping in the car overnight to guarantee that it wouldn't get sold from under him before his check cleared the next day.

3. Ford Sells 417,000 Mustangs First Year

Ford expected annual sales of about 100,000 units, but 22,000 Mustang orders were taken on the first day, and sales reached 417,000 in the car's first 12 months on the market.
