RUN REPORT:

Neil gave a report on the last run (Go Karting) and the November run to Moogerah Dam. Details of runs are on the club website and in the club magazine. Neil asked for anyone going on runs to please RSVP.

EVENTS OF INTEREST REPORT:

In Barry Lane's absence Neil gave the details of upcoming sanctioned events. Members were told to check the website for latest details. Whilst Neil will email details of events of interest, please RSVP to Barry Lane.

MIDWEEK RUN REPORT:

As Les was absent, Neil gave an update on the next midweek run to Le Mer at Manly on Wednesday 15th November. RSVP to Les and check website and magazine for details.

MAGAZINE INFORMATION:

Robyn explained that the magazine link to the MOCA Qld website that was emailed to members wasn't functioning for some members. The Web Master is trying to rectify the problem. In the interim, the October Magazine has been temporarily posted on the MOCA Qld website under "Documents".

MERCHANDISE REPORT:

Yo away, however Robyn Messenger displayed some wide brimmed hats that are available at \$31.50 each.

BAR INFORMATION:

Gordon away but Robyn told the meeting that the "beers were cold and everything was under control".

SOCIAL DIRECTOR INFORMATION:

- Robyn spoke about the MOCA Qld Christmas party. The Club is subsidising the \$39.90 cost by \$19.90 per club member. Members pay \$20 for a three course meal. Robyn needs final numbers by 17th November.
- Robyn asked for donations to the December Christmas Hamper raffles to be brought in as soon as possible.

NATIONAL DELEGATES INFORMATION:

Martin Schmidt and Allan Rogers attended the Delegates Meeting in Melbourne last weekend. The meeting went well with Martin outlining a few things of note:

- All going well for the Perth Nationals next year - hotel taking lots of bookings.
- Planning for the Nationals the following year in Victoria is progressing with a hotel being secured.
- National Body has not been invoicing State Clubs for website help and has been absorbing the costs.
- National Body has increased the contribution made to National Concours trophies.
- The Victorian State Concours held at Ferntree Gully went well with 350 Mustangs turning up in the rain.
- Martin explained that the Tasmanian Chapter, with 80 members and attached to Victoria, is looking to separte from Victoria. A calendar produced by the Tasmanian club depicting members Mustangs was given to Robyn as a raffle prize. Martin brought the calendar as a possible option for Qld MOCA members to consider.

MEMBERS DRAW:

Don Allan was the lucky winner of the October members draw.

BIRTHDAYS:

Members present at the meeting with birthdays falling in October were given a free raffle ticket.

GENERAL BUSINESS:

- 20 year badges were presented to Ken Clark, Sue & Don Allan, Christine & John Smith and Warren Cook. 20 year badge recipients not present - Sue Clark, Michelle Cooke, Alan Crane, Carmel Pollard, Lynette & Glen Riley, Robert Hutcherson, Julie & Paul Brelsford and Wendy & Tony Ruhle. Badges not collected will be mailed to members.
- A State Concours Trophy was presented to John Smith by the Acting President. The balance of trophies left are to be hand delivered or mailed.

- Brett Hodson was presented with a "Certificate of Appreciation" for the Masterfood hampers provided for the Qld State Concours raffles.
- A brief report was given by Jean Vincent in relation to delivery of the \$5,000 donation to Autism Qld by the Concours Committee. The Concours Committee was presented with and accepted, on behalf of MOCA Qld, a "Certificate of Appreciation" from Autism Qld.
- Jean reported to the meeting that, after the final bank reconciliation, the 2017 Qld State Concours and Car Show returned an official profit of \$11,131.61 against a turnover of \$18,622.65. After the donation of \$5,000 the profit to MOCA Qld is in excess of \$6,000. It should be noted that the MOCA Qld merchandise profits are in addition to these figures.
- Jack brought up an item that had been discussed by the Management Committee of moving the club run date from the 1st Sunday of the month to the 3rd Sunday. This would allow more flexibility in relation to public holidays, Father's Day and allow members of MOCA Qld and the Pony Club to attend runs offered by both clubs. The intention being that this would be a first step in repairing the rift between the two clubs. Jack asked that everyone consider the suggestion over the next few months ready for discussion and voting in January. Voting details to be included in the Nov and Dec magazines.
- MOCA Qld is now a Founding Chartered Member of the National Mustang Owners Museum based in Nth Carolina. MOCA Qld is the only non-American club listed as a Founding Member.
- Vic Newland suggested that MOCA Qld put an article in the newspaper to thank all participants and car clubs who attended the 2017 State Concours and Car Show.

RAFFLE PRIZE DRAW:

1st Carleen & Paul Baty	2nd Carmen Rogers	3rd Neil DSM
4th John Smith	5th Brett Hodson	6th Georgina Elliott-Nelson

NEXT MEETING: Wednesday 22nd November 2017

MEETING CLOSED: 9.12pm

ANNUAL CHRISTMAS HAMPERS

It's that time of year again when we start collecting donations for the Christmas hampers which are won by lucky Club Members at the last meeting of the year.

Please bring a couple of items of Christmas Goodies to the next meeting or run you participate in.

But we ask you not to dig out that old can of beetroot from the back of the pantry

that is past it's use by date 🙄

All donations will be gratefully appreciated, so next time you are out shopping just spend a few dollars & pick up something you would like to have.

Thanks so much 😊 **Robyn Noden - Social Director 0417 728 972**

Presidents Report

And another month slips by. About 6 weeks to Christmas and less than 2 weeks to the MOCA Christmas party by the time this issue of the magazine is published. Yep, 2017 is just about done.

I could not attend the October meeting due to work commitments (that's the first meeting I have missed in over a year) so I missed the controversy related to the proposal to change the club run dates. This proposal keeps coming up in one form or another, so by going to a vote with plenty of notice I hope this issue will be settled one way or the other and then will not be revisited.

Our club run has been the first Sunday of the month for longer than most members can recall. There are arguments, some of them quite emotive, for and against the proposed change. At this stage the Committee plans to put this to a vote of the members at the January meeting. The December magazine will include a dot point list of the arguments given for and against the proposal and will also include a proxy voting form to allow members who cannot attend the meeting to express their opinion. The proxy will be in the format shown in our constitution and the whole process will be conducted respectfully and in a way that brings credit to The Club.

Voting will not be compulsory, but we will all have an equal voice if we choose to vote. You will have a maximum of two decisions to make - to vote or not, then for or against the proposal based on your own opinion. The majority decision will then be enacted and respected.

The committee are also looking at two other proposals, creating a new category of member (Honorary) and more rigidly defining The Club's commitment to sharing the proceeds of the State Concours with our selected charity. I believe we all want to be responsibly generous with our Concours profits but we should also be and look consistent. Alan Messenger sent in a draft motion which the committee has amended slightly. This will come up in general business soon.

The addition of Honorary membership was raised by Vic Newland at the September meeting. David Irving has drafted a proposed change to our Constitution to allow a second type of membership. This will be discussed by the committee by the time you read this report and will also appear in general business at a club meeting soon. The intent here is to allow long-term club members to stay active and connected to the club if they can no longer drive for medical reasons and consequentially no longer own a Mustang.

We seem to have a lot going on besides the fun stuff like runs, events and Christmas parties. Looks like it will be an interesting and busy few months.

Cheers, Chris.

November Run Report

Well sometimes things aren't meant to be! I drove the Mustang on Saturday and had it all ready for the Sunday run, fuelled, packed with picnic gear, the run box and a few bottles of water for the members as there was no potable water on site,

On Sunday, the Mustang refused to start, so a car swap was necessary, a call was made to advise of my impending delay.

I finally arrived at the meeting point and found the members sitting around munching on nibbles and sipping on coffee, we had the prestart and headed off. This run would take us along Loganlea Road, down through Beaudesert out through Boonah and swing up along the dam to the picnic area. Near to the dam there were a few cows romping around near the road which made me slightly nervous!

I tried a couple of rolling stops to gather the herd back together, but there was still a couple of lost strays, who finally caught up. It is a good idea to bunch up and use both lanes at traffic lights

It is amazing how the scenery changes at this time of year, the reccy run was very colourful with a lot of trees in blossom, who can recognise this tree?

We found a huge tree in the grassed area above the dam to spread ourselves out under and the picnic hampers, drinks and nibbles, were unpacked and consumed.

It was a nice relaxing day with the weather still being nice to us, but it was building up for an evening storm, which cut the day short and the members headed off to beat the rain.

Prize winners for the day were,

Mid-Week, Mid-Month Run Wednesday 18th October 2017
Lorikeets Cafe, Nielsen's Native Nursery, Loganholme

Wet weather meant that some of our ponies were left in their stables. However, four Mustangs braved the elements but it was definitely "rag tops up" weather (much to Bev's delight). It was an easy drive to Nielsen's Native Nursery, Loganholme from the MOCA clubhouse.

Nestled inside the nursery is Lorikeets Cafe. We were made very welcome with a table set ready for our party of 16. Arriving around 11.40am allowed us time to make friends with the resident parrots and lizards as well as meander around the nursery whilst the rain held off.

Meals ordered we engaged in some car related discussions with some lovely members new and old. We never get tired of talking about our Mustangs!

Thank you Les for organising another great run. We look forward to the next one!

.... Jean Vincent

CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Clubman of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. If for any reason there is a change to an advertised run, details will be in the Coming Events page on the Club website at www.qld.mustang.org.au

The Club Calendar lists the designated events/activities and these are therefore recognised as sanctioned Club Runs. Points towards Clubman of the Year are only awarded for attendance at the official 1st Sunday of the month Run (or Saturday where appropriate).

JANUARY 2018	FEBRUARY 2018	MARCH 2018

Mid-Week Run - Wednesday 15th November

Hello everyone, this will be the last run for this year. Next run will be in February and I will advise the details later.

We will be heading for the Manly Boat Harbour to a place called Café Le Mer (The Sea). We will be sitting on the deck out on the harbour under a large tree and watching the fish swim about under us as we eat.

They will do a \$14-\$16 menu for those of us who are watching pennies or there will be an extensive general menu you can choose from also.

Meet at the Clubhouse at 10:30 for 11 o'clock departure.

Please let me know before November 6 so I can give them the numbers

2017 Australian Shelby Nationals

What a fantastic day at the Victorian Mustang Round-Up incorporating the Australian Shelby Nationals organised recently on the 22nd of October in Melbourne, Australia.

Although the weather was inclement, there were still 13 Shelbys on display which was a credit to the Shelby owners who travelled from interstate to support the Shelby Nationals. I was informed there was over 350 Mustangs on display which was a great effort. The new location at the National Steam Centre was easy to access and seemed to be a hit with the Mustang owners. Mustang Motorsport had a great display of Shelbys on display as well as the 50th Anniversary Shelbys which looked fantastic and a hit with

Thanks to the Shelby owners, Australian Shelby Reps, Mustang Motorsport, S.A.A.C. and the Victorian Mustang Club/Committee for your support. Overall, the whole event was a hit but i'm sure if the weather was rain free there would have been over 25 Shelbys and 500 Mustangs on display, always next time!

the Shelby fans, I'm sure there will be orders flying out the door soon for these very special Shelbys.

Great effort from the Australian Shelby Representatives to fly in to support our annual event so thanks to them all and also doing a great job with the Australian Shelby Registry. There were quite a few Mustangs getting judged on the day including my Dark Moss Green '67 Shelby GT-500 so at the end of the day, together with Fred Pascale's (S.A. Shelby Rep) Acapulco '68 Shelby GT-500KR we both won Gold Awards and Andre Stoffers won a Silver Award for his White '66 Shelby GT-350 in the Australian Shelby Nationals Concours category, congratulations.

NEWS FROM OVERSEAS

2040 car ban

Britain is to ban all new petrol and diesel cars and vans from 2040 amid fears that rising levels of nitrogen oxide pose a major risk to public health.

The commitment, which follows a similar pledge in France, is part of the government's much-anticipated clean air plan, which has been at the heart of a protracted high court legal battle.

The government warned that the move, which will also take in hybrid vehicles, was needed because of the unnecessary and avoidable impact that poor air quality was having on people's health. Ministers believe it poses the largest environmental risk to public health in the UK, costing up to £2.7bn in lost productivity in one recent year.

Ministers have been urged to introduce charges for vehicles to enter a series of "clean air zones" (CAZ). However, the government only wants taxes to be considered as a last resort, fearing a backlash against any move that punishes motorists.

"Poor air quality is the biggest environmental risk to public health in the UK and this government is determined to take strong action in the shortest time possible," a government spokesman said.

"That is why we are providing councils with new funding to accelerate development of local plans, as part of an ambitious £3bn programme to clean up dirty air around our roads."

A briefing on parts of the plan, seen by the Guardian, repeats the heavy focus on the steps that can be taken to help councils improve air quality in specific areas where emissions have breached EU thresholds.

Measures to be urgently brought in by local authorities that have repeatedly breached EU rules include retrofitting buses and other public transport, changing road layouts and altering features such as roundabouts and speed humps.

Reprogramming traffic lights will also be included in local plans, with councils being given £255m to accelerate their efforts. Local emissions hotspots will be required to layout their plans by March 2018 and finalise them by the end of the year. A targeted scrappage scheme is also expected to be included.

Some want the countrywide initiative to follow in the footsteps of London, which is introducing a £10 toxic "T-charge" that will be levied on up to 10,000 of the oldest, most polluting vehicles every weekday.

Sources insisted that while the idea of charges were on the table, there was no plan to force councils to introduce them, and that other measures would be exhausted first.

They hope the centrepiece of Wednesday's strategy will be the plan to ban diesel and petrol sales completely by 2040, in line with Emmanuel Macron's efforts across the Channel.

The French president took the steps to help his country meet its targets under the Paris climate accord, in an announcement that came a day after Volvo said it would only make fully electric or hybrid cars from 2019 onwards.

Ford Model A Loan Hand-Over Event

A presentation and hand over of a Ford Model A loan car took place in March at the British Motor Museum. The restored 1929 Ford Model A Phaeton was offered for loan for a year by Ford enthusiast Peter Garrett to 26 year old Richard Gordon-Colebrooke from Thame in Oxfordshire.

Peter Garrett wanted to encourage a young enthusiast into the older classic car scene, "the best way seemed to offer one of my cars for extended use rather than see it languishing through infrequent use".

Peter approached Bob Wilkinson to organise the initiative. For several years Bob has been involved through the British Motor Museum in running Classic Virgins days aimed at recruiting newcomers to the classic car scene. Bob responded by seeking interest through the classic car press.

Viewing the Model A Richard said, "I had restored a Mini which my dad bought for me when I was 11 years old... and still have it. I was keen to get into the older car scene. This Club News David Davies Model A Phaeton is a real beauty and I am thrilled to have this car for the year. Peter Garrett's offer is a very generous gesture."

Richard and Peter both signed a formal agreement covering car use, maintenance and insurance. Richard was able then to commence old time motoring with a promise to keep all informed of the experience over the year.

Support for the initiative came from Stewart Miller & Peter James Insurance, Longstone Tyres, the British Motor Museum and the Model A Ford Club of Great Britain. The museum including a driving familiarisation area, was an excellent venue for the car hand over.

Looking to the future Bob Wilkinson is keen to see other individuals, or clubs, following this car loan example to reach out to the next generation of enthusiasts and for others to tap into the process.
