MOCA QLD INC Annual General Meeting – 25th September 2019

2018-19 Annual Report

Management Committee (Effective 30th June 2019)

President: Chris Holst. Vice President: Ric Dunford. Secretary: Marg Moran. Treasurer: Robyn Messenger.

Club Office Bearers

Magazine/Website Editor: Robyn Messenger

Social Director: Georgina Elliott-Nelson

Run & Events Co-Ordinator: Neil De San Miguel

Merchandising: Yolande Holst

Membership Secretary: Robyn Messenger

National Delegates: Allan Rogers and Martin Schmidt

QHMC and MOCC Reps: John Greene and Russell Whitney

Bar Person: Robert Consoli

Head Chef: Roger Sparnon

QLD Shelby Rep: Position Vacant

The committee thanks all office bearers and other club members for their efforts throughout the year.

Overview

- The key register has been maintained as required.
- The clubhouse lease agreement with Brisbane City Council is due for renewal in April 2020.
- The only regular sub-lets of the clubhouse are to the Sprite Car Club (monthly) and the XR Falcon Club (once annually). A local choir and associated amateur theatre company uses the building irregularly as a rehearsal space.
- Club operations have continued with no major changes from the previous year.
- The Club's financial returns have been prepared and/or checked by David Star (Tax Agent) and John Dixon (Accountant/Auditor) as for previous years. The Club's financial position remains strong and there were no matters brought to the committee's attention by the auditor.

Financials

Total asset value at 30 June 2019 was \$111,502 compared to \$119,559 at 30 June 2018. The club reported a loss for taxation purposes and is now carrying a loss of \$4,994 into future income years. The \$1,520 tax prepayment for 2018-19 will be full refunded by the ATO. The fully audited financial report is available for perusal and a summary will be published with this report in the October 2019 Club Magazine.

Expenditure

The committee ensured all required expenses were paid and the club got the best possible value for money. We did a lot of work to the clubhouse this year, much of this related to termite damage and the eradication of said pests. The Sani-Flo macerator/pump in the Gents toilet was replaced and there are further minor works to be completed along with some approaching major items. Printing and mailing of the magazine is well under control but it still remains as the club's largest recurring expense.

Membership

Membership on 30th June 2019 stood at 342, twenty-four (24) fewer than the same time last year.

Major Events

The Hot Wheels and Cool Classics Car Show incorporating the MOCA QLD INC State Concours to be held on 8th September 2019 was deep into the planning stage as of 30th June. Members have voted to hold this event every second year, so this boost to club finances did not happen in the 2018-19 financial year. Planning is already under way for the 2021 MOCA Nationals to be held on the Gold Coast.

Charitable Donations

The club donated \$5,000 to Drought Angels in August 2018.

Club Runs

Neil De San Miguel (Run and Events Co-Ordinator) has continued the good work to get us out to interesting places as a car-obsessed group. This is more than core business for the club, it's our whole reason for being, so it's particularly nice when we get a big turn-out of members for any of the club runs. Les Nye and a core group of members have continued to organise mid-month mid-week runs, which are proving to be quite popular with those who are available during normal working hours on Wednesdays.

Club Meetings

Most general meetings are attended by 30+ members. These regular attendees are the operational core of the club, filling the elected positions to keep the club operational and viable.

Merchandising

Yo Holst continued in this role, making a few changes to the products offered due to opportunity and necessity.

Magazine / Website

Robyn Messenger continues to do a great job running these public faces of the club along with her other duties.

Club Person of the Year – 2018

Neil De San Miguel earned the "Clubbie" award after going very close in 2018. This award is points-based with points awarded for participation in club activities. Neil was just ahead of a strong field. The 2019 Club Person of the Year will be announced at the January 2019 general meeting.

Chris Holst - President

Submitted on behalf of the MOCA QLD INC Management Committee – September 2019

QHMC DELEGATES REPORT SEPTEMBER 2019

The Amended minutes of the July Meeting were passed, in general business, and the meeting moved on to the annual general election, where a committee was formed. Tom Lewis – president, Carl Gregory – vice president, Cheryl Nott – secretary, Jason Dodge – treasurer, Albert Budworth and Rod Grayden - TMR delegates, Doug Young to stay on as a TMR delegate to finish the work he started on Impromptu events.

The Auditors report for the year ending 30th June 2019 was tabled and accepted. Affiliation Fees will remain the same for the coming financial year.

The new Website is up and running with no problems, some alterations are being made for ease of clubs accessing their data.

National Motoring Heritage Day Cameron Park in Ipswich has again been booked the date is 17th May 2020

AHMF 'Australian Historic Motoring Federation' [Australian States linked together as one body] No applications were received for the Robert Shannon Foundation. Annual registration fee for QHMC has been increased from \$350.00 to \$400.00.

Parliamentary Friends of Motoring has lapsed and AHMF will work to get this operating again. Through it, we can gain access passes, sponsors to bring you in; need 2 sponsors - 1 each from labour, liberal and independent.

Australian Import Motor Vehicle Industry Assn. [AIMVIA] – Their members are businesses effected by import issues, LCT, Asbestos, etc. Have asked AHMF to join them to get changes to legislation. The cost for AHMC would be \$1,000.00 +gst. pa basic & \$5,000.00 + gst pa Silver Corporate. They have not advised what this cost or membership would give us in return??? They will use a LOBBYIST [i.e. Peter Greenwood's rates are \$8,000.00 per month min of 3 to 6 months+ \$400.00 per hour]

6TH OCTOBER RUN REPORT

Hi members,

The Shell Nudgee was the gathering point for this run, with the motors warmed up we cruised off toward Bracken Ridge, Eaton Hill then through urban fringes and onto the Mt Glorious tourist route. We passed on through Samford, Mt Nebo, then as we passed through D'Aguilar State Forest area the road opened out and the mustangs could hit a gallop,

A couple more turns and we were soon at Cormorant Bay on Wivenhoe dam. The lucky shoe was with us today, as I knew parking was going to be tight and most of us managed to park reasonably close to the picnic area.

A couple of members had gone on ahead and scored a shelter for us which was great, thank you!

With the hampers, eskies etc unpacked, we settled down to relax with nibbles and refreshments while the BBQs warmed up. After lunch we just sat around enjoying the atmosphere and relaxed in this great hassle-free corner of the world. A few members took the time to enjoy a walk down to the water's edge.

Thank you to the members for making the effort to come and enjoy the club run

Prize winners for the day were,

Independent Audit Report

To the members of Mustang Owners Club of Australia (Qld) Inc.

We have audited the accompanying financial report, being a special purpose financial report, ***Mustang Owners Club of Australia (Qld) Inc.*** which comprises the statement of financial position as at **30 June 2019**, the statement of comprehensive income for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information.

Committee responsibility for the financial report

The Committee is responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1981 and the needs of the members. The Committee's responsibility also includes such internal control as Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Electronic publication of the audited financial report

If the ***Mustang Owners Club of Australia (Qld) Inc.*** intends to electronically present the audited financial report and auditor's report on its internet website, responsibility for the electronic presentation of the financial report on the internet is that of those charged with governance of the ***Mustang Owners Club of Australia (Qld) Inc.*** The security and controls over information on the website should be addressed by the ***Mustang Owners Club of Australia (Qld) Inc.*** to maintain the integrity of the data presented. The examination of the controls over the electronic presentation of audited financial report on the internet is beyond the scope of the audit of the financial report.

Audit report qualification - Basis for qualified opinion

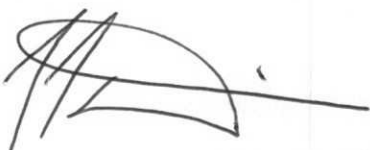

Receipts from cash donations and other cash fundraising activities are a significant source of revenue for ***Mustang Owners Club of Australia (Qld) Inc.*** The ***Mustang Owners Club of Australia (Qld) Inc.*** has determined that it is impracticable to establish control over the collection of donations and other fundraising activity revenue prior to entry in its financial records. Accordingly, as the evidence available to us about revenue from these sources was limited, our audit procedures for donations and other fundraising activity revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether cash donations and other cash fundraising activity revenue obtained by the ***Mustang Owners Club of Australia (Qld) Inc.*** are complete.

Qualified opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report ***Mustang Owners Club of Australia (Qld) Inc.*** presents fairly in all material respects in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of the ***Mustang Owners Club of Australia (Qld) Inc.*** at 30 June 2019 and its financial performance and its cash flows for the year then ended.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling Committee reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

The Club Calendar lists designated events / activities and these are therefore recognised as sanctioned Club Runs. Points towards Club Person of the Year are only awarded for attendance at the official 1st Sunday month Run (or Saturday where appropriate).

Mid-Week, Mid-Month Run October 9, 2019

We met at the BP Archerfield around 10am with around 10 cars then headed out for our run which was supposed to be to the Mulgowie Hotel, but due to the bush fires still burning in close proximity to the hotel Les decided to play it safe and take a slight detour away from them.

We ended up at the Camel Farm at Harrisville where we visited exactly one year ago! We were joined there by a few late comers totally around 19 people all up.

As usual, lunch was delicious except for the thousands of flies who decided to escape the bush fires and crash our party! We still had a great time, we even played pass the puppy thanks to Sandy bringing along her 8 week old Moodle for everyone to meet!

It was quite busy there with tour buses coming and going so we didn't hang around too long after finishing our lunch and headed home around 1pm, a great time was had by one and all! 😊

Hello Members,

I write this after a very interesting September Annual General Meeting where we held the annual club elections and only 25 members turned up on the night.

We held the meeting and Chris Holst stood down as president after 3 years in the top job. Chris has taken on a national role with his employer and can no longer get to regular club meetings.

Nominations started and there was no nomination for either the President or the Vice President's position. There was an eerie silence in the room and then the normal push for past presidents that were there to stand again. The attendees were just the same old core members who turn over the committee positions.

Thanks to Margaret and Robyn who remained in their current positions as Secretary and Treasurer.

The end result was that Chris had to be voted back as president for one month only and it was agreed that he would resign from the position just before the October meeting, therefore making the positions of President and Vice President vacant and hopefully someone else would be prepared to take on the jobs when they were put back up for nomination before the October meeting. Chris will not be at this meeting.

As we are an incorporated club, if we don't fill at least the president's position (the vice could remain vacant, but this is highly undesirable) we would need to wind up the club. This would mean that according to the office of fair trading we need to stop trading immediately and our cash and assets would need to be given to a like-minded club. This club could not be one that would give a benefit to any of our club members, which means a club that no current MOCA Qld member is affiliated with. All our hard-earned work in raising a successful club would be for nothing.

I don't know about all you other members, but to Ken and I this wouldn't be an option. This club is 38 years old and we have over 300 members annually. Surely someone is able to stand up and do a year or so on the top table. Someone with new blood and new vision to move the mustang club as we know it forward.

We have just had our state concours and had around 60 mustangs entered which was a great show. This means we have at least 60 active members most of whom have a partner or spouse giving us over 100 local members who could put up their hands and be counted.

It is a very disappointing effort when it falls on the same members year after year to put themselves forward for the committee positions. We need new blood!! The job of president isn't too time consuming and means attending and running 2 meetings a month, the club one and a smaller management committee one. It means writing an editorial each month for the magazine. It is a figurehead who will attend as many monthly club runs as possible and be a person new, and old members can talk to. The management committee as a whole, President, Vice President, Treasurer and Secretary look after the day to day running of the club while the other nominated positions, magazine editor, bar manager, run co-ordinator, social director, etc help make the club enjoyable for the members. We try to have variety and interesting meeting, runs and events that our members can partake in.

One other point that came to mind was, if the club closes down what happens to all the members who currently use SIVs concessional rego. I'm not sure of the rules there but does it mean if there is no longer a club, the members need to join another one and get a new dating letter to enable them to continue with the discounted rego. I'm not sure!!!

We need people to volunteer themselves, put their names forward and take this club into 2020. We need new members to offer to guide the club. We need new ideas again to move the club forward.

We do not want to close down a very successful club and social event because out of over 300 people we cannot form an active committee.

Please stand forward.

Kind regards

Sue Clark

Important information – Shannons Insurance

Exclusions applicable and cover limitations to vehicles on a race track

To Car Clubs,

Shannons is a supporter of motoring clubs, events and associations committed to sharing the passion of the Motoring Enthusiast Community we so proudly serve.

From time to time Shannons attends and supports events at race tracks and racing circuits (**Race Events**). As part of our ongoing commitment to our customers and the broader Motoring Community, an opportunity has been identified for Shannons to better assist customers attending Race Events (including your car club members) to be aware of and better understand exclusions under Shannons Motor Insurance (**SMI**) that apply when their vehicle is on a race track.

We want to ensure our attendance at Race Events does not create an impression that SMI automatically covers customers out on the race track or the course. Accordingly, from 1 October 2019, we will display the attached notice at Race Events.

We value our relationship with your club and its members and wanted to provide you with this information in case your members see this notice at future Race Events and ask you about the notice.

If you require any further information about this notice, you can reach out to us by contacting your local Business Development Manager. Additionally, we can arrange for a member of our underwriting team to attend one of your future car club meetings to talk to your members.

Thank you for considering this important notice and your ongoing support.

We look forward to seeing you at an event soon.

Team Shannons

Important Information – Shannons Motor Insurance

EXCLUSIONS APPLICABLE TO VEHICLES ON A RACE TRACK OR USED IN MOTOR SPORT

You are not covered under Shannons Motor Insurance for loss, damage, or liability caused by, arising from or involving your vehicle:

1. being driven or used in any form of motor sport
2. being present at or upon a race track or testing ground, or land immediately adjacent to it, unless your vehicle is there solely for a purpose other than driving or riding or use in a motor sport event to be conducted at the race track or testing ground

However, you may have limited cover if the racing cover option applies to your policy. This option applies for vehicles over 60 years old or when recorded on your Certificate

RACING COVER OPTION – WHAT IS COVERED

We pay for loss or damage to your vehicle if at the time of loss or damage you are driving or using your vehicle for a motor sport event, but only if the event is either:

- an event sanctioned by a motor sport governing body, and your participation in that event requires a license of any kind issued by a motor sport governing body and you are the holder of such a license, or
- an event which has been approved by us in writing or by way of endorsement to your policy.

RACING COVER OPTION – LIMITS AND WHAT IS NOT COVERED

We only pay up to the **lesser** of the cost to repair / replace your vehicle, the agreed value of your vehicle, or \$20,000.

We do not cover any legal liability connected with the use of your vehicle for any motor sport event

WHAT IS A MOTOR SPORT?

Motor sport means participating in, preparing, practicing or familiarisation for any form of motor vehicle or motorcycle racing or sport, whether formally or informally arranged or impromptu, including, but not limited to: racing, circuit racing, rallying, karting, demonstration, pacemaking, hill climbing, drifting, drag racing, speedway racing, reliability or regularity trial, speed time test, motorkhana, khanacross, touring assemblies, observed section trials, power cruises and off road events such as rock crawling or mud racing.

WHAT IS A RACE TRACK OR TESTING GROUND?

Race track or testing ground means:

- a road or other surface which is used as a race track or testing ground, or
- a public road (whether made or unmade) that, for the purpose of a motor sport event, has temporarily been closed for use by the public generally.

TESTED ON ANIMALS

INTRODUCING OUR LATEST CAR CARE CREATIONS

THE WASH PILLOW

Our big wash pillow uses the latest three yarn microfibre for fast, safe and scratch free washing.

SHAGAMITTASTIC WASH MITT

For real enthusiasts who can appreciate the satisfaction in doing a good job by hand.

WIPE OUT

A windscreen washer additive that vaporises away with no streaking or smearing, for perfectly clean windcreens.

WET DREAMS

Our easiest and most protective spray on and rinse off product, it's awesome and very addictive!

DEVELOPED AND PERFECTED ON ALL OUR BEASTS

Our 1965 rally spec GT350 is one of the many animals we test our car care formulations on. It can take months, even years of evaluating and reformulating before we approve any product. Each formulation is a handmade creation of the highest quality, to ensure you receive a product that you will love to use as it beautifies, nourishes and protects your car from Australia's harsh climate. We are an Australian family owned company, who live and breathe the car culture, so you can be assured you are getting nothing but the best when using anything with our name on it.

We tried everything. We now make our own.
