President's Report

Hi Everyone,

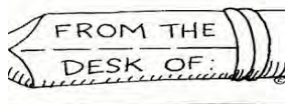

By the time you read this the State Concours will have been wrapped up, hopefully as an outstanding success to support the club and our charity efforts. Next on the club agenda is the Annual General Meeting and the elections.

There will be positions vacant, these are jobs that need to be done to keep the club running, including President. I have just taken on a national role at work, therefore spare time and the number of workdays I spend in Brisbane are both going to be reduced. I'll be in Gosford while the October meeting is on, so I'm going to miss some meetings in the foreseeable future.

I was not planning to nominate anyway because I believe the load and enjoyment should be shared, the changes at work have just confirmed that choice. Therefore, this is my last President's Report for the magazine, but I will write a thank you/welcome to the new committee/exit note for the next issue.

Scary thought - how close is Christmas!!

Cheers,
Chris

Hello Members,

What a grand turnup we had for the Concours last weekend, considering it was such a lousy day wind wise there were some beautiful classics and other lovely cars on display. Congratulations to those people who were awarded trophies. Like us they would have had to bring their vehicles home and give them a good dust off!

The Annual General Meeting is approaching - September 25th, and as this magazine goes to print we have ONE definite nomination for a position on the operating Committee.

Sad really, when we are a people rich Club and unable to get members to put up their hand for a position on the committee, to keep this club functioning. Without a functioning Committee the Club will fold.

On a lighter note I received this from Phil McCracken regarding an article written about his beautiful Rangoon Red 'K' Code which won Gold at the Concours over the weekend..... Why not check it out using the link!!!

Hi Robyn,
Here's the link for the story the MTAQ did on my car.
Hope you can squeeze it in somewhere.
Thanks,
Phil.

September Run Report

Hi members,

We gathered at Morningside for this run across town, via Corro Drive, and the Centenary Highway to La Bonne Saigon in Jindalee, where a couple of early members had saved a parking area for the Steeds, thank you to those members.

After a bit of tyre kicking, we rolled into the restaurant where the room was nicely set up for us, and not long after settling in, the breakfast orders arrived.

The restaurant did a fantastic job in cooking an assortment of pre ordered delicious meals for us.

Thank you, Hillary, for finding this great place.

Thank you to the following for Prize Donations
Mustang Auto Parts,
Linda & Roger Allen

Prize winners for the day were,
Lucky Car - Rob Consoli
Allan & Carmen Rogers, James Gorry, Harvey de San Miguel,
Chris Holst, Luke Musgrave, Matt Fulton,
Harvey - Redrawn – Paul Gold, Kisha’s father.

.....Come along and enjoy the Ride.....

Some one-liners

- Bought some 'rocket salad' yesterday but it went off before I could eat it!
- A teddy bear is working on a building site. He goes for a tea break and when he returns, he notices his pick has been stolen. The bear is angry and reports the theft to the foreman. The foreman grins at the bear and says "Oh, I forgot to tell you, today's the day the teddy bears have their pick nicked."
- Murphy says to Paddy "What ya talkin to an envelope for?" "I'm sending a voicemail ya thick sod!"

‘GRACE’

‘Grace’ is finally home. Dawnie and I look forward to many days of fun cruising and attending a few car shows. A boyhood dream realised!!! For those who know their Mustangs, she is a 66 K code coupe and auto. A very rare car indeed. Just as she came out of the factory.

I remember when Dr Charles Matusek imported probably the first Mustang into Hobart. He had a surgery off Davey St next to St John’s church. Every time we drove by, I would look to see if the red ‘Stang was there. Sometimes it was there when I went to church on Sundays. I would stand and drool. I was in love with Don Elliot’s Mustang that Robin Pare raced at Baskerville. I saw it race at Symons Plains and Longford too.

Owning one was a boyhood dream that was never going to become a reality at any level. In 2006 I bought the XP for \$1000 as a kind of compromise. But it still wasn’t a Mustang. As I drew closer to retirement my updated dream was to purchase one as a play car. Again, it seemed a great idea but unlikely.

A dedicated Kiwi car collector from our church told me about a K Code Mustang he was looking at in America. I thought his idea of buying one sight unseen was folly and told him so. He proceeded, and I tracked its progress into the country very carefully. It arrived in Australia and I was amazed to find it was as he described it. A 1966 Ford Mustang K Code coupe auto with the HiPo engine and all the gear in Wimbledon white. It was still as it came from the factory with the AM radio, drum brakes, C4 auto, fake wire wheel hubcaps and red walled cross-ply tyres. It was in mint condition. It had been winning car shows in America in the 90’s.

Having seen it at a car show, I highly desired that car. Firstly, I knew it wasn’t for sale and secondly that it would be well out of my price range.

With a change in life circumstances, I decided I probably would go ahead and buy a Mustang. Dawnie is a car lover and is closely involved in our racing pursuits with the XP. When we discussed it, she said, “You know you want to”! We decided to look for a coupe. Why the coupe? Well, I guess that is what I remember as a teenager and holds most relevance to me. At the top of the list was a K Code. After all, they are the most sought after and collectable version available. I scoured the country, being too frightened to import one from the USA given the pitfalls. As usual, there were none available. I thought my chances of acquiring one were pretty slim.

Three years after Lewis imported this one, I gave him a call. “Well I guess I have no need for two Mustangs”, was the reply. He already has a black and gold 1966 Shelby 350 clone. A few more emails, a test run, up on the hoist and the deal was done. The K Code, or ‘Grace’ as we call her, has taken up residence with the XP Falcon. Does that mean we are now collectors?

Peak Crossing A Day in the Country August 2019

On behalf of the Fassifern Valley Rotary Club and the event organisers, we thank you for your attendance at the 2019 Peak Crossing - A Day in the Country.

As you know, it was a fine but dry day, with just under 200 cars attending. We were able to raise just under \$5,800 for our charity of the day, 4 Aussie Heroes Foundation.

We are proud to also advise that the total raised on the day was donated without any running costs taken out, due to the generosity of car clubs donating to our multi prize raffle, private donations and wonderful financial support from various car clubs paying for necessary items on the day.

The event will be held again in 2020 on Sunday 30th August. Would you kindly reserve this date in your club calendar?

Once again, thank you to all you came along and contributed to a great “Day in the Country”.

Peak Crossing

A Day in the Country

As you can see from the photos, we had a wonderful day at Peak Crossing. The paddock was full with some very rare and beautiful cars - 200 of them! This annual display never fails to delight. Thank you to all those who came along to support this great charity event. The Fassifern Valley Rotary Club use all funds raised to help those less fortunate than ourselves.

Mid-Week, Mid-Month Run - Wednesday 21st August 2019

Point to Point - Cleveland Bowls Club

Ten Mustangs and one Toyotastang left the MOCA Clubhouse at 10.30am in glorious sunshine with detailed 'Point to Point' instructions in hand. However, roadworks and a detour just as we left threw a proverbial spanner in the works. Les's beautiful instructions were voided as we struggled to get ourselves back on course. Not sure if it was by design or luck that 6 mustangs managed to re-group and continue on their merry way. The water views along the Esplanade

were stunning and well worth the effort. Arriving at Cleveland Bowls Club another two Mustangs joined us and the balance of lost Mustangs rolled in, so a total of 13 cars and about 20 Mustangers made it to the final destination.

It was great to welcome new members Adam and Jane Drury in their gorgeous black GT. Food and drinks soon flowed as we chinwagged the afternoon away.

Les, we thank you for another fantastic run. From all the members who have frequented your mid-month runs, we thank you and Bev for all the time, effort and dedication you've put in over the past three and a half years in providing some spectacular places for us all to enjoy.

September Mid-Week Fun Run Lizzie's Kitchen, Harrisville

We had sunshine and we had some clouds for our September Mid-Week Fun Run to Lizzie's Kitchen at Harrisville. Leaving the BP at Archerfield at 11am, six Mustangs and one Pradostang headed out to meet a further two Mustangs en route. Traffic was light as we rumbled along past some very brown but pretty vistas. It was an easy filter in for the two Mustangs joining us making our convoy complete.

We pulled into the main street of Harrisville just on noon. As usual, it was quiet, welcoming and full of historical buildings. A typical small Aussie country town - aren't we lucky to be able to visit these glorious places in our beautiful muscle machines? Parking on the main street was quick and easy.

Lizzie's Kitchen had set up a long table for us under the umbrellas in their courtyard. Menus were passed around and meals ordered. Chatting and laughter was soon achieved as we enjoyed the lovely surroundings and great company.

Thanks go to Glenda and Jack for organising this run at short notice. Everything ran like clockwork and we are all appreciative of the time and effort given by all run co-ordinators for the enjoyment of others.

Check the MOCA Qld website and magazine for details of the next Mid-Week Fun Run.
