President's Report - April 2017

This issue of our club magazine will go to print about the same time as the Nationals are happening in Wollongong. I have been to The Gong many times over the last 25+ years, just about always for work, so visiting for fun with a group of Mustangers should be a nice change of pace. We are looking forward to the road trip and the social side of the event. This is the first interstate Nationals for the Holsts so the comparisons should be interesting.

Preparations for our own mini-Nationals, the State Concours, are proceeding well. The Concours committee have confirmed the date (10 September), a venue which comes with a lot of support from the local council and have started to contact vendors and sponsors.

How can we help? I hope we can all commit to attend with our Mustangs to make our display as big as possible to give the paying visitors value for money. This will also help our chosen charity, Autism QLD, our sponsors and the vendors. Concours will be our biggest fundraiser this year, so it's very important that we all do what we can to make it a huge success.

Meanwhile all the normal club business and activities go on as usual. Meetings, runs, events, raffles, etcetera - all the things we do for fun. I hope to see you at one of these soon.

April Run Report

Hello to you all, I hope you fared ok with the big wet from Debbie? This run originally had us attending the Auto Spectacular at Willowbank, but that was cancelled, and with the members toey to get out and about I had to arrange a new run. I thought about using this opportunity to do a reccy run, but taking a convoy of cars into areas where the roads could be flood damaged put paid this.

I needed a venue within a short distance of the meeting point and accessible via the main highways on a route that was going to skirt the flood areas. I also needed to keep the same meeting point in case some of the members missed the reschedule... being on the run email list and sending your RSVP does have its merits!

The Fernvale Bakery fitted the bill, having been there before while attending the Fernvale car show I knew the food was good,

The calls were made, emails sent and before I knew it Sunday was here, cool with clear skies. The ponies gathered at the Plaza, it was good to see a couple of new members on this run, 14 mustangs and 1 guest ... we had a convoy. We headed off on the freeway in light traffic and swung onto the Toowoomba road for a short drive, finally turning onto the Esk highway. On arrival at Fernvale we found to our good fortune plenty of parking adjacent to the bakery,

We settled in, drinks and snacks ordered, the staff were fantastic, we enjoyed our selection from the menu, whether it was a yummy slice of cake, cooked breakfasts, or a pie! After paying, a few of us went for a cruise to Wivenhoe dam which is only 10 minutes down the road, however there was not much to see as the dam level was low and no water was being released over the spillway, but hanging around chin wagging was a relaxing way to spend the afternoon.

Thank you to those that came along and made this another great Run-Day.

Prize winners for the day were,

Lucky Car – Mark Vroegop

1st Alex Thomson (lucky fellow, new member on his first run)

2nd Richard Jasiocki

3rd Mellissa Lane

YES.... some peoples GARBAGE is some peoples GOLD!.

As was found by 20 odd of us at the Saturday morning Swap Meet.

There was everything from complete Engines to new fenders (nice try Garry !) to used suspension parts.

By the time Cheryl and I had arrived at 7.45a.m. 4 or 5 swappers had set up..... better get the kettle on and fire up the barby.

'Anyone got matches', he says. 'Push the button', comes the reply. 'What button?' Looking for the red piezo button found on the home barby.

'Just push the gas knob knuckle head!' Thanks Gordie! DOH! Right, leave the cooking to Cheryl and set up our items for sale.

By now the conversation is flowing amongst fellow swappers, as I see one of my items walking back to another's vehicle..... Where is the money I think.....DAMN its already with Cheryl. I didn't see any of the money that day my friends.....from any of the 4 items sold.

Ah! there are the Dryden's with Ute and Trailer, every one swarms over like Bees to Honey....oooooh ahhhh! Almost purchased Bevan's Drum Brakes until I realised they were for the front not rear.....sorry Rob (Switzer) for getting your hopes up.

Then a rumble and a 1960 F100 rolls up the drive waylooks like Darryl Green, it is, and again we swarm, going straight to..... what is under the Bonnet ?,..... a sweet fuel injected 289 Windsor, oh and some goodies in the tray! (Thanks for the magazines left at the club Darryl)

Good to see some old faces (as in haven't seen you for a while) such as Darryl and John Nyman (how did you fit all those parts in the ute John?)

Coffee, Tea, Sausages and Muffins, were enjoyed, the balance of the latter eventually given away so yours truly didn't have a feast.

There were some sales of parts, and some 'please just take it' conversations, and even though numbers were slightly less than hoped it was a good sociable morning with a small profit going to the club coffers.

Thank you to all who attended Andrew White

Shannons Wheels 2017 - Parkes ACT - 12 March

Yo and I were in Canberra for a weekend to attend an engagement party. Great time of the year with warm dry days and cool but not cold nights. The Sunday of the Canberra Day long weekend is always 'Wheels' in the car parks adjacent to the old Treasury building in the Parliamentary Triangle.

The featured brand this year was Ford, to celebrate a century of operations in Australia. Lots of good Aussie Fords but not as many Mustangs as would normally be found in Brisbane. The Canberra region is a good place for classic cars with great roads, dry summers and generally cooler weather that puts less stress on older machinery. The inland climate doesn't encourage too much rust.

The ACT and region motoring clubs put on a good display to support this year's charity, TADACT (Technical Aid to the Disabled ACT). Lots of gold coins dropping into the donation buckets, plenty of smiling happy car people and a diverse range of interesting cars to look at. I reckon it was better than going to the Old Bus Depot Markets, although Yo reckons the markets were pretty good.

The Origin of The Mustang Owners Club of Queensland

We were just over half way through February 1980 and I was heading north on the Pacific Highway back to the Concrete plant at Springwood in my concrete agitator truck.

A young lady driving a Red '66 Mustang Coupe overtook me and pulled in front of my truck. The next left turn was the one I needed to get back to the concrete plant, Well I'll be!, the young lady exited the highway in front of me! This was before the freeway was built. She drove into Girlock's Brake Centre and I stopped out the front and walked in and introduced myself. Told her I admired her beautiful '66 Coupe and said "I have a '71 Mach 1 at home"

She said her husband wanted to start a Mustang Club in Brisbane, I gave her my phone number and address and said "Come to our house at Springwood on Sunday, bring your husband, two children and swimming gear and I'll put on a BBQ for you all"

Sunday arrived and Geoff and Carol and Family, plus Pauline , myself and family had a great day. Geoff said he had arranged for a meeting at their house at Bowen Hills on the evening of Tuesday 4th March at 7.30pm. He had also placed an ad in the Courier Mail for Mustang owners to attend the meeting.

That night there were eight Mustang owners present... Positive vibes and another meeting planned for the following month. First meetings were held at Geoff and Carole's house, then a couple at a coffee shop over the road from Boggo Road Jail, then the Teachers building at Spring Hill. BY July we had seventeen members and all was progressing well.

We made contact with the South Australian Club and the Victorian Club. At Easter 1981 the Victorian Club hosted the First National Meeting and Concours at Swan Hill. It was a real eye opener as previous to this I had raced my car at hillclimbs and cleaning them up for a concours was a different story to racing, (No, not racing the Mustang). Ours was the only entrant at Swan Hill from the Queensland Club.

Easter 1982 saw the Queensland Club host the Nationals at Acacia Ridge Hotel, a huge and successful event.

The Queensland Club had grown, likewise the Clubs in other States around Australia.

Actually the first Club meeting I was absent from was October 1988 when I went to Long Beach California and bought and imported Seven Mustangs and a 1963 Buick Riviera and put a deposit on the 1968 Shelby Convertible.

So the Queensland Mustang Owners Club has it's 37th Anniversary on the 4th March 2017.

It has been one hell of a ride, thank you One and All

CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Clubman of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. If for any reason there is a change to an advertised run, details will be in the Coming Events page on the Club website at www.qld.mustang.org.au

The Club Calendar lists the designated events/activities and these are therefore recognised as sanctioned Club Runs. Points towards Clubman of the Year are only awarded for attendance at the official 1st Sunday of the month Run (or Saturday where appropriate).
