**NEW MEMBERS/GUESTS....** Phil & Samantha Green, Kevin Geake, Bill McIlroy, Anthony Whaling & Kailene Squire, Tehanne Denham & Jason Jarvis

**MINUTES OCTOBER MEETING PASSED...** 1<sup>st</sup> John Binge, 2<sup>nd</sup> Robyn Messenger Passed by the majority

**BUSINESS ARISING FROM PREVIOUS MINUTES...** In response to Jean Vincent's suggestion to donate the Christmas food hamper to charity-As it is too late to change plans for the hamper this year, we will arrange to collect donations for next year for charity. This will be in addition to the usual hamper for members.

**TREASURERS OCTOBER REPORT** Russell stated that there is a minor adjustment in report as money went into the account at end October and he didn't look at the account until 1st November, so there is a variance \$75. The same variance will show next month and then even itself out. We had 2 investment accounts and the committee decided to roll them into one account on 1<sup>st</sup> November. John Cunningham asked for the club bank balances. Russell read out the balances of each account. Motion Carried. 1st Dave Irving, 2nd Alan Messenger. All Correct and passed by the 35 members present.

**RUN REPORT:** Neil reported on the recent run to Caloundra RSL. It was a good turn out and good run up, although the traffic coming home was congested. The Christmas party is this weekend. It is too late if you haven't already booked. Lakeside is on 27<sup>th</sup> November, after Christmas party. December 4<sup>th</sup> is the Shannon's rum distillery run. The back gate to a secure car park will be open for our use. Our tour is at 10.30am for \$10 or for an extra \$5 you can include a sample. Lunch will be at Windaroo Golf club. Neil will send out an email to all attendees for the Shannon's distillery run with full details and lunch particulars. January 7<sup>th</sup> which is a Saturday is the fish and chip run to Bribie Island. The February run is lunch to Redland Bay hotel. February is the Chinchilla Melonfest. We have approximately 30 couples attending and there are only 8 rooms left if you require accommodation, so register your interest now.

**MAGAZINE REPORT:** Robyn Messenger –nothing to report. Alan Messenger–explained that the magazine costs a lot of money to print and post and some members prefer to read a hard copy instead of a copy on their computer. He explained how we could reduce the cost of printing and postage to the members who request a hard copy, if we halve the hard copies produced by posting out a copy every second month and members receive an emailed version the other 6 month. Or we could post 4 hard copies per year and the rest of the year email a copy to members. This will reduce the cost of printing and may provide the opportunity to have more colour or more pages. Les asked what does it cost to produce the magazine. Chris said approximately \$700 per month, which is \$5 per month per member including postage. It is the club's biggest reoccurring cost - magazine postage is \$300 per month. Russell Whitney stated that for members who are computer illiterate, they will not like the reduction in hard copies. Also, the cost of printing may increase if we reduce the number of copies printed. Chris suggested that management can discuss this further.

**MERCHANDISE REPORT...** Sandra - All merchandise here tonight is 10% off. Photo's of shirts etc will be published in the magazine and website.

**BAR REPORT...** Rob said that the bar was going well.

**SOCIAL DIRECTORS REPORT:** Robyn Noden-The raffle prizes tonight are boxes of chocolates & gift cards/vouchers. Reminder to place your donation in the box for sausages and supper. Christmas party is this Saturday with 60 members attending. There will be free raffle tickets for attendees. Wear Christmas outfits to the party. There will be 6 tables of 10 with a limited menu. The waitress will take orders and all meals will come out to each table at one time with one bill per table. Pay for drinks at the bar. There will be subsidy when you arrive & free raffle ticket. The Christmas raffle hamper will be drawn at our December 21st meeting and it is not too late to bring in donations of food for the hamper.

**NATIONAL DELEGATES REPORT.....** No report - not present

## GENERAL BUSINESS:

**Les** - Mid month runs will be starting in 2017. February run will be to Mermaids on the beach at Deception Bay. March run to Mt Cotton cafe where there is a boomerang boardwalk with views to the city. April run to Songbirds at Mt Tamborine. May run to Cafe at Lake Moogerah.

**Chris** -Discussed a proposal to hold an intra-club swap meet in March 2017 and/or a larger all welcome swap meet in conjunction with the concourse in September 2017 and proposed to vote on the 2 alternatives. Ray Law suggested we could do both and leave the vote till a later date for more consideration. Chris asked if we could think about it and come up with ideas for suitable venues and we would discuss it at the next meeting. Russell Beavis from Hervey Bay said he attended a swap meet a few weeks ago in Hervey Bay and it was a fantastic success. Russell explained that the events need to be revitalised to attract more interest. Some suggested venues for the 2017 Club Concourse- were the Rocklea Show ground (centre ring for swap meet) or Les suggested Harrigan's as it can be fenced so we can charge entry.

Chris explained the club member of the year point earning system. **Reminder** that there are points available to everyone equally based on participation. The winner is announced in January each year.

Chris explained the flowers and cards policy which is in place. Flowers will be purchased by the secretary and sent to club members if they lose a spouse or child. A card will be purchased or made by the Social director and sent to members if they lose a family member other than a spouse or child. Chris asked for a motion to continue this policy. 1st Caroline Irving, 2nd Gordon Bartils

Chris stated as the club is in good financial health we have the opportunity to give back to members for supporting the club, we propose to remove the charge for sausages and supper and increase the budgets for the social director and run co-ordinator. Chris proposed to the members to vote on the following suggestions which, if approved, will be reviewed in 6 months (May 2017 meeting) 1. Closing the donations box for sausages and supper was moved by David Irving, 2<sup>nd</sup> Ray Law. 2. Increase the social director's and run co-ordinator's budget for raffle prizes by 50% to \$150. 3. Increase the budget from \$10 to \$20 for the members draw prize. Moved by Les Nye and 2<sup>nd</sup> Ray Saunders. 4. Increase the run co-ordinators budget for raffle prizes by 50%. Moved Peter New, 2<sup>nd</sup> Sandra Whitney. Voted –all in favour

**Robyn Noden** – requested some feedback on raffle prizes.

**Lynn Dryden** - asked if we really need a half time break during meetings, as we could finish the meeting earlier by doing away with the break. Ray Law said we could make a judgement call on the night. Chris said he would take it to the management meeting and bring it to the meeting next time as a motion

**QHMC Report** – not present – Next meeting is tomorrow -24/11

**RAFFLES** - 1<sup>st</sup> – David Irving 2<sup>nd</sup> - Donna Harris 3<sup>rd</sup> - Robyn Messenger

#### **GENERAL BUSINESS CONTINUED:**

**Marice** -read an email from Harry Ockers with a request for assistance - "I have a 1970 Mustang Fast back. I am having problems with headers at the moment. I have just spent 5 yrs on rebuild I have installed a 5ltr xr8 sprint engine out of a 92 EB. The problem is the headers are hitting the solenoid on the starter motor. I got the headers from Roadstar Sydney they are series1 clipster. Have any of your members had the same problem. If so could you give me some advice on how to get over this problem."

A suggested fix was to change the starter motor to a high torque starter motor.

**Russ Beavis** – stated his car was on full rego but wondered if he was covered if he takes someone for a drive to a prom. He spoke to Dept of Transport and they stated that taking a direct family member is ok, and other relatives was a grey area, provided there was no payment. Chris replied – not my area of expertise, but if the car is on full rego, you can drive anywhere and with anyone as long as it was not for hire or reward. The Dept of Transport rule applies to cars on SIVS rego only. Russell Whitney – if on full rego, you can carry anyone anywhere, but he warned that if you have an accident and the person/s you take in the car are injured, they have the option to sue. Chris -reminded members that one of our club members "East Coast Muscle Car Hire" who advertises in the club magazine, has a licence to hire cars.

**NEXT MEETING..... Wed 21st DECEMBER 2016**

**MEETING CLOSED..... 9.10 PM**

## December President's Report

It's always a busy time as we roll towards Christmas. The November meeting went pretty well and we got through a lot of general business. The club is in very good financial shape, so motions were passed to retire the donations box, increase the raffle prize budget for meetings by 50% and to also increase the run raffle prize budget by 50%. So, for now supper is free and the raffle prizes will be even better than usual, at least for 6 months when the success of these changes and the state of the club's finances will be reviewed. I called this an experiment at the meeting - I hope it works, but these changes will be easy to undo or adjust if needed.

The Christmas Party, Thanksgiving at Lakeside and the December run to Shannons, Beenleigh Artisan Distillery and the Windaroo Lakes Golf Club were all done and enjoyed between the November meeting and writing this report. All great fun and good reminders of the commitment and effort from club members. Thanks again to all who have helped to make the club activities better by contributing their time, effort and ideas. Thanks also to the staff and management at the places we visit in our combined travels - it can't be easy to have 40+ people arrive all at once, but somehow it just about always seems to work out.

Thinking of people who show commitment and put in the effort leads me to the Club Person of the Year award. There is only one way to get your name on this perpetual trophy, you have to earn the most points in a calendar year. It's as simple as that. Points are awarded for taking on an elected job within the club, coming to meetings and runs, helping at a working bee, attending the Nationals, submitting articles for the magazine (President's Report doesn't count) and probably a couple more things that I have overlooked. All efforts to help the club are appreciated, we wouldn't have a club if members didn't pitch in to help, but the Club Person of the Year award is about recognising the club member who has been able to contribute the most in the last year. I don't know who the winner will be, I just want to get my thanks in early - well done whoever you are!

The early thinking and long range planning for the September 2017 State Concourse has started. The last couple of these events were held at the Rocklea Showgrounds. We could go back to this venue or try somewhere else and/or perhaps add a swap meet to the event as mentioned at the November meeting. The venue needs to be very accessible for us, our vendors and the paying visitors, reasonably priced, big enough and well fenced so we can charge admission. Please let us know if you know of such a place. Beenleigh Showgrounds and Harrigan's at Jacobs Well have been mentioned and will both be checked out.

I'll finish here by wishing you all a merry Christmas and a happy and safe New Year.

**Chris Holst - President**

# MOCA Christmas Party 2016

We held our Christmas Party last Saturday night 26th November at the Colmslie Hotel, Morningside. Sue Clark the original Social Director (2015-2016) booked this fabulous venue prior to my appointment, & what a great decision it was to hold our Christmas Party there.

Some members were already there when Gordon & I arrived at 6.45pm, the staff had our room already set up for us with seating for 60 & the bi-fold doors closed. There were helium filled balloons on the tables & red & green serviettes to compliment the small Christmas trees I'd brought along to add to the ambience of the evening.

It wasn't long before more members rolled in & Russell & I quickly popped a \$20 note into each envelope complete with member's name & a free raffle ticket already attached. These were then handed out to members to subsidise the cost of their meal, much to the delight of all in attendance. I loved giving money away, I felt I could get used to doing this :)

Our two courteous & efficient waitresses took our meal orders & we were soon tucking into our steaks, Guinness Pies, chicken schnitzels, garlic prawns or whatever it was on the menu that took your fancy. I only heard compliments about the meals & was very impressed with the speed with which they arrived.

Good on you Harry & Carolyn you did well to consume the amount of seafood you did!

No sooner were the tables cleared & it was time to draw some raffles, I was very capably assisted in this by our new Club President Chris Holst & of course my other half Gordon. The Club had very generously donated 6 x \$50 prizes which were won by Tracy Consoli, Carmen Rogers, Neil De San Miguel, Alex Artega, Sandra Whitney & Dennis Freedman. Alex & Ana had already left by this time but I will contact them to let them know, & they can pick up their prize at the next meeting.

The Colmslie Hotel very generously donated 3 more raffle prizes which were won by Yo Holst (Coffee & Cake voucher) Phil Rizzo (who had to put his raffle ticket back together like a jig saw puzzle) Monday Steak Night meal voucher \$14.95, & last but certainly not least Kisha Werba won a \$100 dinner for 2 voucher at the Colmslie Hotel, well done Kisha & Nick.

With all the appetites sated, & raffle prizes won it was time to move around the room a bit to chat with friends. Gordon & I have been in the Club since about 2003, & I don't think we've missed a Christmas Party in all that time. It makes me reflect back on some past memories, fancy dress nights, karaoke, Western nights when Harry Steinhauer entertained, another time he did a duet in the car park with Rick Dunford, even one where the girls put on a bit of song & dance, I think of this every time I hear Neil Sedaka sing Calendar Girl, I have some very fond memories of past Christmas Parties.

This year it was very easy to organise, very well attended & very much enjoyed by all. Gordon & I would like to take this opportunity to wish you all a very Merry Christmas & a safe, happy & healthy 2017:

**Cheers Robyn Noden**

**Social Director**

## Delegates Report November 2016

This is a follow up of Towing in NSW which I mentioned in a report earlier in the year.

This is taken from an article by Graham Allum in RESTORED CARS Australia and printed with his permission

### NSW TOWING REGS

A friend of mine had the opportunity to put some questions to the Senior Investigations Officer, Tow Truck Investigation Unit NSW RMS regarding the towing Laws as published in this column.

The answers are as follows.

To Prosecute RMS needs to prove all of the following-

What is happening is actually a tow as per the regulations.

The vehicle is a tow truck and a Motor Vehicle as per the regulations.

AND the tow is for business.

If you want, you can look up those definitions on the RMS web site.

<http://www.legislation.nsw.gov.au/regulations/2008-366.pdf>

The leading question was then does the Act apply to private people moving their own vehicles?

*"The Act only applies to the towing industry."*

I am told the following clearly states that this does not apply to private people.

"Application of the Act.

- (1) Except to the extent provided by subsection (2), this Act does not apply to or in respect of a tow truck operated by the Crown or a statutory body representing the Crown.
- (2) This Act applies to persons (other than employees of the Crown or of a statutory body representing the Crown) who carry out tow truck operations under a contract or arrangement made or entered into with the Crown or statutory body representing the Crown."

So, there you have it, apparently, that quite clearly states that this does not apply to private individuals.

Now while this exempts private people using privately registered tow vehicles if you are using a commercial (non-NSW registered) tow vehicle, (tow truck or tilt tray) you would be in breach, even if the "tow Job" is for private use.

Other questions answered were –

A private person picking up a car in NSW that he has bought? *No Problem.*

Someone hires a trailer to collect a car from NSW? *No Problem.*

Taking a car into NSW and then returning it home? *No Problem.*

Someone who owns a truck (could be a tow truck or tilt tray) that is used only to transport his own cars. *No Problem, however if the person was a wrecker or dealer, etc and uses the truck as part of a business operation to move vehicles he has acquired, this would be an issue.* In other words, if the tow vehicle is privately registered then no problem but if it is commercially registered then there would be a problem.

Someone picking up a car in NSW for someone else. How would this be regarded? *If it is just a mate picking up a car for someone and the person is just paying for petrol, for example, it would be no problem.* Again, this would depend on the registration of the tow vehicle.

Could an out of state person be stopped and questioned about towing another vehicle in NSW? *Yes. RMS inspectors have the authority to do this. They have a series of questions they use to determine if someone should be operating under a towing licence. These (questions) would include where the person is coming from and where the load is being taken. This is simply to determine if the person is operating an un-licensed towing business.*

This applies to moving a vehicle through NSW.

## 4<sup>th</sup> December Club Run

### Shannons Cars 'n Coffee, Beenleigh Rum Distillery, Windaroo Golf Club

There had been a good response to this event despite the temperature climbing toward the thirties! With the pre-meet sorted we motored around the corner to Shannons Cars and Coffee morning, there were a good number of cars already parked up, ELLASPEDE show cased some of their Finest Custom Motorcycles and accessories.

After the coffees were consumed, the members were rounded up and we headed off for a cruise through suburbia and a short freeway stint, and out through Mt Cotton and another short freeway stint and then turned off to the Artisans Rum Distillery at Beenleigh.

With the cars parked safely inside the distillery we moved indoors to enjoy the air-conditioning, and a cool drink.

The tour group was split into two and off we went, the tour was informative and well done, on the agenda next was the tasting option, I think we all enjoyed this, I know I did! Thanks Mathew for making this a great experience!

The plastic copped a hiding with the members taking home a full "sized" sample or two

By now it was time for lunch, and off we motored to the Windaroo Golf Club, they did a great job with the lunch orders by this time the number had dropped to around thirty.

Maybe I should have called this a busy day out!!

Thanks to all the helpers and participating members for another great run.

The prize winners on this run were:

- Lucky Car- Ray Mitcherson,
- 1<sup>st</sup> – Jack & Glenda Hall
- 2<sup>nd</sup> – Chris & Yo Holst
- 3<sup>rd</sup> – Rob Consoli
- 4<sup>th</sup> – Rob Consoli- Redrawn
- Jack Hall- Redrawn
- Paul Cooper winner

~ See you all on the next run. ~

## ALL AMERICAN THANKSGIVING - LAKESIDE PARK, KURWONGBAH Nov 27<sup>th</sup>

We met at the usual meeting spot early in the morning, with a hint of the warm summer day to come, (I think sleeping in with the AC on was not on the agenda for the track addicts), lined up getting ready for another great day of motoring on the track.

Soon we headed off to the track and set up in our usual parking area, a bit later a few more mustangs rolled in, I think mustang outnumbered all the other breeds, a slight sprinkle of rain was a little concern for some however this blew away to a clear sky.

It was good to see new members and maybe members coming along, to watch or drive the iconic track. A lot of the newer mustangs were on the track to have a gallop, and there were the usual rolling "can you out run me drags?".

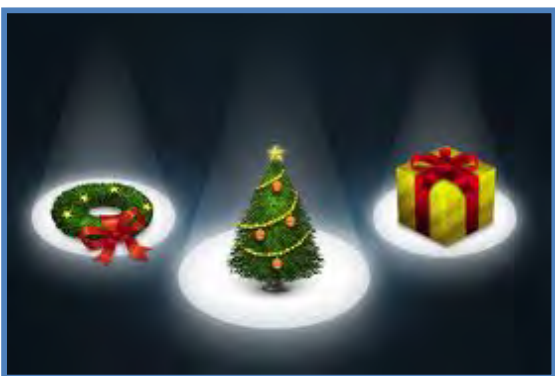

Later in the day with less cars it was good to be able to drive the whole track and not come up behind road blockers setting up to have a run.

Thanks to all that came on the day, the club picked up another trophy for best club display,

We thank the organisers for another great day on their track!

-o-See you on the next outing-o-

## FUN FACTS

Ford Sells Mustang Number One!

Many veteran Mustangers know this, but we feel it is still a fun and interesting fact, especially for newcomers. Mustang Number One (VIN 5F08F100001), a convertible, was accidentally sold when it was brand-new. Ford intended to truck the car across Canada on a tour of dealerships. However, a salesman in St. Johns, Newfoundland, accidentally sold it to airline pilot Captain Stanley Tucker. He drove it about 10,000 miles and then traded it back to Ford. In fact, he traded up for the 1,000,001 Mustang built. A '66 model assembled at Dearborn, Michigan, on March 2, 1966. Today, 5F08F100001 is on display in the Henry Ford Museum in Dearborn.

## CLUB RUN CALENDAR

The Club calendar is designed to assist members planning ahead for designated runs and Club related activities. Clubman of the Year points are assigned for these events. The Club Run is generally held on the 1st Sunday of each month with a "rain date" set for the following Sunday. If for any reason there is a change to an advertised run, details will be in the Coming Events page on the Club website at [www.qld.mustang.org.au](http://www.qld.mustang.org.au)

The Club Calendar lists the designated events/activities and these are therefore recognised as sanctioned Club Runs. Points towards Clubman of the Year are only awarded for attendance at the official 1st Sunday of the month Run (or Saturday where appropriate).

# TESTED ON ANIMALS

## OUR MOFFSTANG IS A REAL BEAST

Allan Moffat's 1969 Trans Am Mustang is one of the many animals we test our car care formulations on. It can take months, even years of evaluating and reformulating before we approve any product. Each formulation is a handmade creation of the highest quality, to ensure you receive a product that you will love to use as it beautifies, nourishes and protects your car from Australia's harsh climate. We are an Australian family owned company, who live and breathe the car culture, so you can be assured you are getting nothing but the best when using anything with our name on it.

## INTRODUCING OUR LATEST AUSTRALIAN MADE CREATIONS
