President's Report

Hi Everyone

It's been a busy month so far, I've been on the Father's Day Club Run to Club Pine Rivers for breakfast, the working bee at the clubhouse and now getting the annual report ready for the AGM and elections on the 26th of this month. There will be plenty of elected positions to be filled.

The August meeting was only attended by 21 members, our smallest turnout for a long time with a few regulars out of town that night. A very noteworthy decision resulted from a motion raised during general business. The club donated \$5,000 to a drought-related charity. More details in the meeting minutes elsewhere in this magazine. We do prefer to support charities with things or actions rather than cash, but that's how it worked out this time.

The working bee was a success with a lot of good work done, but more still to do. The termites certainly left their legacy. We will be doing more at the club over the next several weeks so there are more opportunities to join in the fun. Thanks again to those who came along and helped on the day.

See you at the AGM!

Cheers,

Chris

SEPTEMBER CLUB RUN

Hi Members,

It was a beautiful morning with just a hint of winter left in the air as the cars rumbled into the parking area for the September Run,

With the roll call completed we headed out on the Sunshine Motorway in light traffic and turned off on to Dollies Rocks Road, and then back down Gympie Road to Sparkes Road, a nice easy run!

The Club Pine Rivers had very kindly reserved an area of the carpark for the cars adjacent to the green for us, this was excellent as we could park with a metre or so between cars. We signed in and soon were settled down for breakfast feast,

A few members stayed on for a few ends of bowls. There is a learned art to rolling an unbalanced ball down a lawn and expecting it to stop where it's supposed to, luckily, we did have some guidance from the coach.

I must admit there was a bit of a competition going on between a couple of teams, it must have been the sight of the "trophy" that got them going.

It is a great facility with the lawns all under cover, I would like to thank the Club Pine Rivers for their hospitality in making this another enjoyable Mustang Day.

Prize winners for the day were,

There have been some changes over the past few weeks, not the least Treasurer Ric handing over the reins to me for the last month and a bit.

For better or worse I have put my hand up to carry on in this position if elected come the AGM at the end of the month.

As you can see by the nomination form there are still many positions in the Club that can be filled by willing and able members and I encourage you all to step up and have a go. It can be a very rewarding experience!

The Committee have made the decision to place our updated Constitution on to the website. It can be accessed by logging on to the document section of our web site as you do when accessing your monthly magazine.

You are all encouraged to make yourself familiar with this document.

Cheers

Robyn Messenger

MID-WEEK FUN RUN WEDNESDAY OCTOBER 10th

This run will be to the Summerland Camel Farm at Harrisville. We will be enjoying beautiful home-made foods of various types whilst sitting on the deck of the old fully restored Queenslander.

An added bonus is the amazing views as we dine. A lot of the food is camel based and very tasty! (we sampled it, yummm!)

The trip out will be part of the fun as we will be driving through some very pretty scenery on our way.

After lunch some of you may want to do one of the tours and get up close and personal with the camels.

They are amazing animals. There are approx 500 camels on site.

We will meet at the BP Truck Stop Rocklea at 10am for a 10.30 departure.

For bookings, call Les 0422 692 438 by Saturday 6th October.

Wednesday 10th - Mid-Week Run to the Summerland Camel Farm at Harrisville, Details in Magazine and on Website		

“Neither cloud nor rain nor gloom of morning stays the dedicated Mustang members from swift completion of their volunteer work at the working bee.”

Like the “United States Postal Service”, Mustang club members ignored the gloomy skies and arrived with trailers and tools. We were determined to rid the Mustang corral of the damage caused by a recent termite invasion.

Although we were few, we managed to tackle the job with enthusiasm and together we achieved a great result. The boys enjoyed the demolition process and the girls pitched in too. We filled trailers with debris, tidied and sorted. The end result was a much cleaner, organised corral which still requires more love and attention in the coming weeks.

So when the call for help comes your way again, we would love to see more Mustang members helping out the club.

You know the old saying “Many hand make light work”.

Mid-week Fun run to Moreton Bay Boat Club

Again, the weather God turned it on for us - I must be running out of brownie points with him by now because I always get the weather I ask for. We had a good roll up again even with three cancellations. Unfortunately, one of those is not one you want to hear about. One couple on their way to meet us at the Clubhouse was involved in an accident. Gladly they were not hurt but still not a nice reason to have to cancel.

We had a good run down to Manly Boat Harbour where we were met by another three cars. We dined upstairs on scrummy food while enjoying the amazing scenery. During lunch we also solved all the problems of the world and elected a new Prime Minister. After lunch I asked for numbers that wanted to do the esplanade cruise up to Elenora Park at Wynnum North and everybody put their hand up. Upon reaching the Park we did the board walk (approx. 20 minutes either way) and all enjoyed it. What I had forgotten to do was contact the man upstairs again and organise the tide to be in - never mind it was still a magic day!

Look forward to seeing you all on the next run.

Regards,

Les.

Peak Crossing Charity Run Sunday 26th August 2018

Yes, it was raining. Yes, the forecast was for more rain with possible thunderstorms but yes 4 Mustangs and one Jaguar met up at Redbank Plaza Shopping Centre. We knew that we'd have a good time, hopefully keep dry but we were all keen to help support the Fassifern Valley Rotary Club and the local farmers. 140 beautiful cars were of the same mind and it was, as usual, a great event. The range of cars was exceptional with always new and exciting cars to view. Check out the McLaren 570GT with the owner happy to demonstrate the scissor doors.

Arriving at the Peak Crossing venue, we had two more Mustangs join us so 6 Mustangs made up a good display. We struck gold, one lovely Mustanger brought a gazebo tent. It was a good place to consume the delicious food provided by the Fassifern Valley Rotary Club, listen to the live music and chew the fat with some happy car enthusiasts. Of course the main attraction is always the diverse range of cars to view and this year didn't disappoint.

Mid-Week, Mid-Month Run Wednesday 12th September 2018 Beenleigh Historical Village

Fourteen Mustangs and 28 lovely people supported the mid-week, mid-month run to Beenleigh Historical Village. Meeting up at 10.30am at Springwood Coffee Club gave everyone the opportunity to get a hot cuppa and snack along with the usual socialising. Departing at 11am (and causing quite a stir when the ponies started up), it was just a 25 minute casual cruise to Beenleigh. As we had booked to eat at the on-site cafe, entry fee was waived. Along with the usual group, it was great to welcome Patricia and Clive in their new Ruby Red Mustang and Linda and Graeme in their classic 1966 Mustang. The cafe offered a pleasing selection of meal choices. It's true to say that the meals were a little slow to come out, but boy were they worth the wait!

I heard several Mustangers complimenting the staff on the quality of the food. Meal over, it was time to investigate the Historical Village and delve back into years gone by. How good does it get - sunshine, Mustangs, a lovely location and a pony to pet!

Thank you Les for organising another great run - can't wait for the next one.
