WWW.MUSTANGAUTOPARTS.COM.AU

From the President,

Welcome to the June 2021 Magazine

The Club is now holding regular meetings at the club rooms, a premeeting BBQ will be available from 6.30pm ready for a meeting start at 7.30pm. But I am not seeing many members there! This is shame as you are missing out on Harry's great cooking and a chance of winning a raffle prize.

We need you, our members, at meetings to be part of the meeting dynamic, add your view to matters discussed and be part of your club's social mix. The only criteria I put on your attendance, is that if you are displaying flu like or Covid-19 symptoms you MUST NOT attend.

Any member, who so wishes, should feel free to wear a mask.

A concrete path, (complete with footprints) has been laid from the upper car to the foot of the stairs to the club room. This will make access to clubrooms safer for all. The next item is a solar powered light to illuminate the area from the start the path to the club room. This may take a while as council must deliberate and approve this safety feature.

The June run to Bundaberg (The Rum Run) was a great success and fortunately vehicle wise uneventful, enjoyed by all attendees, a full report is in this magazine.

These are to be restarted with Adelaide in April 2022 being the first. I encourage you to attend, these concours are fun events a chance to see Australia, some great cars and make new acquaintances in the Mustang world. After Adelaide it is then the turn of Queensland to hold the 2023 concours and to do this we must start organising **NOW**. Ed Callander has volunteered to lead the organising committee, but he needs at least 5 committee members and as many part time volunteers to assist in sub committees looking after specific areas of the concours organisation. Now some bad news, as organising a concours take 2 years we need a committee formed in the next two months, if we can't do this, I reluctantly must inform the MOCA National body of our inability to hold the 2023 concours and ask them to nominate another state body to hold the 2023 concours. With a membership of 370 plus members surely it will not come to this, so please put you name forward to assist, remember the old adage "many hands make light work"

And in closing we have introduced a new run register for all runs, monthly mid-week and any other run organised by MOCA(QLD). The new form **MUST be completed by ALL attending members and guests/visitors**. This form makes us compliant with the Government Covid guidelines. Please ensure you fully complete this form for each member of your party.

Please **Stay safe and Play Safe**

Alan Messenger. June 2021

The RUM RUN

I will spin you a yarn, about the the 17 ponies that escaped Brisbane and headed North to the warmth of Bundaberg in search of a magic clear brown spirit and a bit of fun. A few ponies bolted early leaving on the Friday, but the remainder stayed under starter Neil's orders leaving from Nudgee on Saturday morning. The trip was led by a startling yellow pony on a mostly trouble-free trip to the first stop, a scheduled watering and breather. Then off again, the ponies straining at the bit, thirsting for the brown magic liquid. But alas a filly or two needed an urgent stop 100K's before the finish line. This accomplished, the herd bolted following a few different paths to Bundy and the Acacia Stables.

After a checking the stables and a light meal the herd headed off to tour the historic Bundaberg Distillery and sample some of their finest products. This proved to be a high-spirited event that was followed by a BBQ at the Acacia. We were joined by several local members and potential members,

sharing tales of their ponies and the quality of the local spirits. Great to catch up with Members from further afield also!

Sunday morning, we drove to the Hinkler Aviation Museum for a tour. We were met there by Ian Jefferyes the president of the local vintage vehicle club, he led the team that restored Bert Hinkler's Pierce Arrow to it current pristine condition, Ian related the story of the restoration to our members, happily answering all of the many questions.

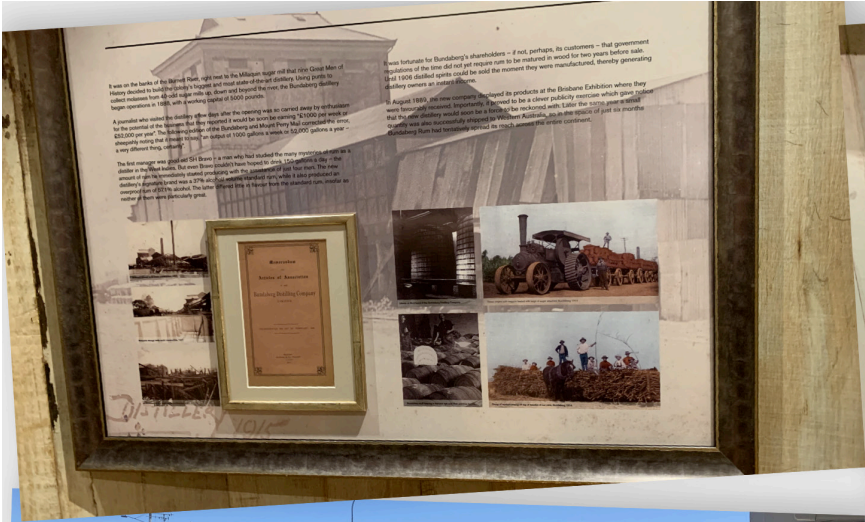

From there the ponies strayed all over Bundy, some just sat in sun having coffees, others partook in a steam train ride while others visited the sugar museum. After lunch we headed over to Bundaberg Brewed drinks factory, "The Barrel", here we were guided through the history and brewing process of these world-famous SOFT drinks and sample all 12 varieties.

That evening after the ponies were stabled, we utilised the RSL bus and finished off our trip to Bundaberg with an excellent meal and a drink or two at the RSL.

On Monday the majority of ponies headed back to Brisbane, but some stayed on for a longer visit to the Bundaberg area.

In summary, a great weekend enjoyed by all. The run will most likely be repeated next year but so as to coincide with the local car show that Ian from the vintage car club organises, he has extended an invite to the club to attend.

Car Hoist Review – Tuff Lift – 4 tonne 2 post

Hi all, look this may be of interest to some and others maybe not be that interested.

But due to unfortunately having an incredibly bad back which has been fused and caged, plus my right knee that has two titanium plates and 13 screws inside. I can no longer climb under cars 😊.

That made us look at all the options available and luckily for me, I have a very loving and understanding wife, who allowed me to purchase a two post motorised hoist.

Something I have always wanted, but was very unsure what one to select ??

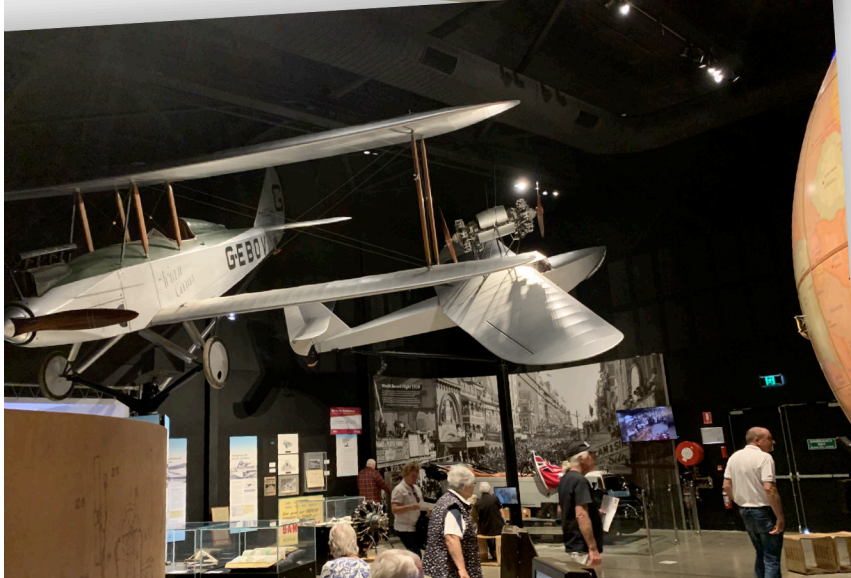

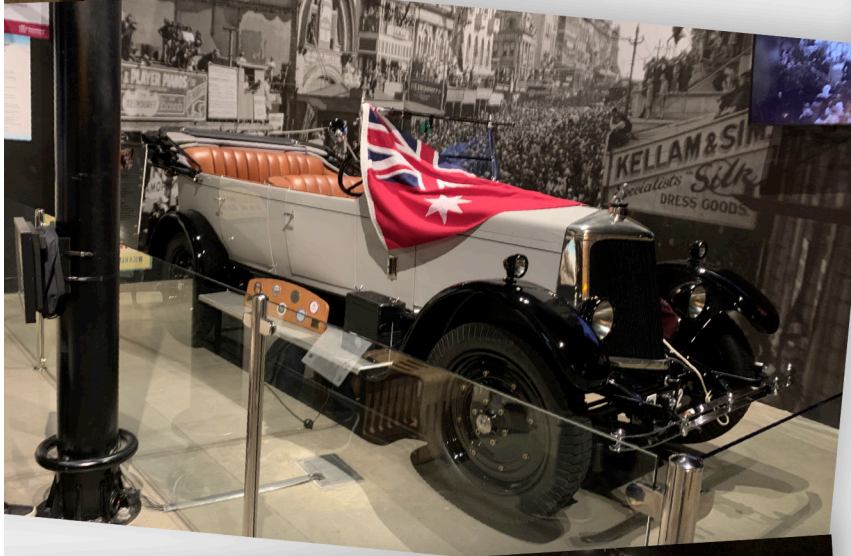

After reviewing a many options and reaching out to a few people for advice, I decided on the 4 tonne “Tuff Lift” brand. I selected a 15amp single phase and single point release option – with high clearance and clear floor.

WOWAll I can say is this thing is fantastic and I can't speak more highly of the people whom I dealt with from “Tuff Lift”. They are based at Sumner Park here in Qld as well as down in Melbourne.

They arranged installation for me and their installer was sensational.And very helpful with plenty of good advice.

I strongly recommend them.... and if anyone wants to look at it before buying, you can pop into our workshop to have a look if you like.

Sunday 29th August 2021

Mustang Owners Club of Queensland member's are invited to an "Invitation Only" Multi Marque Charity Day on Sunday 29th August 2021 at Peak Crossing. This prestigious event is hosted by the Fassifern Valley Rotary Club and the Brisbane Register of the Jaguar Drivers Club (E+F Type Register) of Qld and held on a private property.

All funds raised go to The Rotary Club of Fassifern Valley.

Join with other car enthusiasts to enjoy a unique range of vehicles ranging from vintage cars to inspirational machines in a relaxed private country setting with no general public participation.

The Rotary Club food van will be serving refreshments and a bbq lunch at reasonable prices. Yes, the legendary lamingtons will again be available this year!

A coffee van will also be available along with the usual multi prize raffles and live music.

Entry is restricted to 200 cars on a first come basis. An early reply ensures you don't miss out on this great event. Once we achieve 200 cars, we will go to a dated waitlist, so we look forward to your acceptance as soon as possible.

Entry fee at the gate will be a donation of \$30 per car with a chance to win a lucky car prize worth \$350, donated by our hosts.

Please register your interest to:
