

## President's Report MARCH 2024

Fellow Members,

This month as you are all aware is the 60<sup>th</sup> Anniversary of the Mustang. The Mustang has had a great life to date, a bit like any life, huge growth after birth, then developed a goodly amount of muscle when it was a teen, lost its way when it ran with foxes, had mid-life crisis, and lost its direction, but then it settled down to enjoy life but still had a rebellious streak and hidden muscle!

I suggest those members with classic and S550 Mustangs have a look at the for-sale notices on the website there are a number of items that are giveaways or **near giveaways** for a 2001 and 1965, just contact the current owner.

The March club meeting had a lower-than-normal attendance, but it was a great meeting Thanks to our great Social Director Marice ably assisted by Ray, the supper was both novel and superb, thank you both.

Now some reminders!

We will be holding a special event at the clubroom on **May 25<sup>th</sup>** commencing at 10.00 am followed by a BBQ. It will be a "**Judging Mustangs 101**" where we will explain what judges look for when they judge a car during a Concours and how you can prepare your car for judging day. All are welcome to attend, please send me an email advising you will be attending.
