

President's Report for April 2024

Fellow Members,

This month has seen quite a bit of activity.

The April club meeting was back to normal attendance and a great meeting, a gala party event for the 60TH Birthday of the Mustang superbly organised, including a special cake, all thanks to our great Social Director Marice ably assisted by Ray, thank you both.

The May Club run, on Sunday May 5th, was to Old Petrie Town and a large number of points north. The run was organised jointly by our VP Neil and Run Coordinator Marice (second Hat) and it was a HUGE event with 58 Mustangs heading out from the Shell Nudgee with a Police escort across the Hornibrook Bridge to Old Petrie Town for Lunch, a good effort by all. Unfortunately, Robyn and I could not attend, as I was recovering from a dose of flu that I had given to Robyn that put her to bed rest with me doing the carer role.
