

## President's Report for May 2024

Fellow Members,

This month has seen quite a bit of activity.

There was a good attendance at the last club meeting along with a fantastic supper and pre-meeting BBQ, for those who did not attend you really missed a great meal. That nearly overshadowed the brilliant oratory and fantastic content of the executive's address.

We also have a milestone event in that Wayne and Elaine Hall joined the exclusive 30 Year Membership group and were presented with their new membership badges, Congratulations to the both of you and thank you for your contribution to the club over the years.

A few more Judges at the Concours would be great to take the load off the current judges, if you do not feel confident just yet filling a judge's role, we need **assistant judges** to note down the Judges' comments on the score sheet and make observations on the car to the judge. This is a great learning opportunity.

So please don't just think about it help your club and offer your assistance, text or email me and I will contact you!

The **2024 State Concours** will be held on **June 16<sup>th</sup>, 2024** at the RNA Showgrounds. The Concours will be held in conjunction with the RACQ Motorfest, as the Mustang will be the feature car of the event. During June you will receive mail from the RACQ detailing your entry time and the entry point you must use. **Please follow these precisely!** If you are late, you may not end up in your allocated car park.

Happy and safe Mustanging,

*Alan M*

Judging 101 - This was an event run at the club rooms to explain to attendees how cars are judged at a Concours. We had 20 attendees and had a look at few of cars both old and new pointing out the things that catch the judge's eye and those items the judge will always look for. Overall, the attendees found the event informative and well worthwhile.
