My congratulations to you all.

I would like to thank all those members who assisted to make this a great concours, without volunteers like this SMALL group the club cannot function, so if you can offer to assist, please do so.

We also have a milestone event this month in that Steve and Marie Dawe joined the 20 Year members group and were presented with their new members badges, Congratulations to the both of you and for your contribution to the club over the years.

One of our founding Members and a very regular attendee John Binge was not at the last club meeting, After a message from his son via another club member we found out he'd had a fall and was in hospital. Get well soon John, we miss your input at the meetings.

Happy and safe Mustanging,

*Alan M*
