

President's Report for August 2024

Fellow Members,

Well, I expect a big roll up at the AGM on September 25th after you read this report.

Nominations have been received for all Key positions in the management committee and elected officer roles, plus the BBQ Chef is having the night off and as a result the meal will be Pizza.

So, there is no reason not to attend.

I would like to let all members know I don't have a Facebook account; therefore, I don't see any of the social interactions on Facebook. But I have been advised that some members of our Facebook page have been making derogatory comments on the page. Some were about the running of the club, in specific the comments were regarding runs and one specifically on Mid-week runs, as to why don't we have them anymore.

I have two comments to make. If you have a comment, you want heard, then address it to the management committee, or in person at a club meeting or by email to the club addresses. Facebook is social media, not the official channel to address actions in the club. And secondly, if those people making the complaint want mid-week runs, then they must offer to run them. The club management will provide guidelines, coaching and run sanction numbers.

Well, that's all for now.

Happy and safe Mustanging,

Alan M

Alan Messenger - President.
