

# MOCA(QLD) President's report

**April 2025**

Hi members and welcome to the April President's note.

Entries are slow for the **2025 Concours**, please get your entries in even if it is only Show and Shine, along with me.

**Location - The RNA Showgrounds      Date Sunday June 15<sup>th</sup>.**

To attend you must complete two (2) entry forms, the RACQ registration, these were released on March 10, and is to be completed on-line. When filling in the form, in the Car Club field please enter "MOCA(QLD)" and in display category "American". Then you must complete a MOCA(QLD) Concours entry form, which is attached

The club has been approached by Skilling Queensland a Non-Government Organisation who with Government support, trains young people to be ready to enter the workforce. The workers are supervised and work for free, but we supply all materials used. We have been discussing repainting the building and replacing the ridge cap on the roof. The Chief Operating Officer visited the clubroom on the 27<sup>th</sup> to inspect the work and said it was within their scope. He did point out the height may be a problem, but scaffolding may resolve that problem, so we now wait and hope.

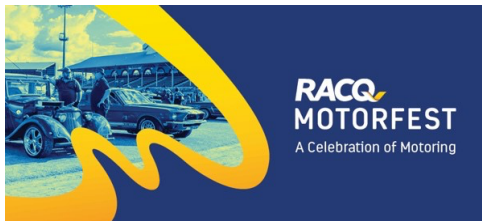

I have contacted the BCC re the lift for the club rooms, after the normal button pressing and wait, I found they "KNOW NOTHING" would I please resend the request. I will recompose a note and send off starting over again.

Please give some thought to filling a role on the club management committee, after 2 stints of 2 year as president I am stepping down, the VP is nominating for this roll. However, there are a number of other roles that must be filled, or the club will actually fold, this is not a threat it is the law, All the management committee roles must be filled, or club can no longer legally operate. So please step forward and help your club.

Cheers

AJM
