

MOCA(QLD) President's report

May 2025

Good day to you all and welcome to the May President's note.

We are all set for **2025 Concours** at the RNA showgrounds on Sunday June 15th., I hope to see you there.

Discussions are progressing with Skilling Queensland an NGO who with Government support to repainting the building and replacing the ridge cap on the roof. This is now being looked after by the Secretary and is moving ahead at a steady pace.

I have had discussions BCC the clubroom owner re the lift for the club room. They have approved the lift "in Principle" we now have to get quotes and building approval. I asked the question "what support will BBC provide?", the answer "we have spent the budget this year, but we will see what we can do next year". They also said there are other forms of community support available and will send us a list of organisations we could approach.

In the meantime, we will seek quotes from suitable suppliers and share these with you the members.

Please give some thought to filling a role on the club Management Committee, after 2 stints of 2 years as President I am stepping down. The VP is nominating for this roll, and the Treasurer will be re-nominating. That leaves the VP and Secretary's roles to fill. You should be aware the four management committee roles must be filled, or the club will actually fold, this is not a threat it is the law. If others are not filled that function is not carried out, no run coordinator no runs, no BBQ chef no BBQs and so on!

So please step forward and help your club that we all enjoy continuing to function!

Cheers

AJM

Alan M
