Vice presidents Report

A briefing on the nationals to be held in Adelaide was given. A number of people will be driving a 4-day trip. Contact Dale Henry if you're interested. See Dale if awaiting shirts or other merchandise.

Dale thanked Sue Cairns for a great job on the magazine. He also thanked and introduced guest speaker - Aaron from Sinopec to talk about oils and lubricants.

President's report & presentations.

Thank you to Jim and Hotwash for last minute venue host.

Rob advised that National merchandise is available on the website.

Sinopec Presentation

Aaron gave a very informative presentation on lubricants.

In summary, the importance of Zinc DDP as anti-wear agent especially older vehicles, importance of using correct viscosity oil for the application, additives not recommended as modern quality oils already contain additives, it is ok to mix mineral and synthetic oils as top up, but generally older vehicles use mineral base and new cars synthetic, Never use petrol oils in diesel as they do not have the correct detergents and additives.

Hot Wash presentation

Jim gave a very brief overview of his business its history and current products in services. In summary Hot wash design and manufacture automated washers for industrial parts cleaning
