Change in fee structure for WASMA (the coordinator of the concessional license app) to \$150 & \$2 per app user.

Currently 91 vehicles on C4C and 26 on code404. Across WA around 10,000 cars are on concessional licences

Notice to all concessional license holders there can be no grace period if fees are not paid and processed by July 1 then vehicle is not licensed as Dot has advised that a register of financial members must be provided on that date.

Noting that sufficient time must be given to the club volunteers that have to process payments and the paperwork.
