Received feedback for DMIRS re constitution change, very minor (pedantic?) changes required. These have been addressed and resubmitted. Only significant matter. The official club name is "Mustang Owners Club of Australia, Western Australia, Inc" this is what has been historically registered. (Not Mustang Owners Club Owners Club of Western Australia, Inc as many had thought).

Vice presidents Report

The AGM will be upon us very quickly – it is March already. Consider taking on a role with the club. Almost every position is up for re-election. The club thrives on those who are keen to carry drive the club for the benefit of the club and its members. Consider a position on the committee as an opportunity to learn how things run prior to taking on a role on the top table.

See Dale if awaiting shirts or other merchandise.

Please send through details of any speakers you believe could add value to the club members.

President's report & presentations.

Thanks to everyone who came along to the York lunch cruise and to Rob Taddei who 'volunteered' to do the story for the magazine. Thanks also to Blake Luxford for assisting with the lunch arrangements and for arranging special pricing for members who wanted to visit the motor museum.

Nationals is next month, Julie and I are driving over so will not be at the next meeting, Dale to stand in for the meeting.

Important personnel maintain membership otherwise you will be required to pay full price for vehicle registration and will not be covered by insurance if vehicle registration is not valid for the vehicle.

Concessional Licensing

CMC is looking for input from clubs. They plan to assimilate the 404 system with the C4C regulations where possible. MOCWA will need to indicate the preference to Barry Ebedes so he can lodge a vote at the next meeting. If there are any details you need to understand please reach out to Mick Muggridge (Club Registrar) or Barry Ebedes CMC Representative).
